

# Directory of Sports and Recreation Activities 2011-2012

[ville.montreal.qc.ca/loisirsenligne](http://ville.montreal.qc.ca/loisirsenligne)

On the sports and recreation front, 2011 has been an outstanding year for the borough of Côte-des-Neiges—Notre-Dame-de-Grâce (CDN-NDG). It was my pleasure, together with Michael Applebaum, the borough Mayor and Ville de Montréal Executive Committee Chair, to officially open the brand-new NDG Sports Centre.

This is a superb facility that will further enhance a neighbourhood already experiencing a major revitalization. The entire community, and families in particular, will be able to enjoy the benefits of a modern complex accessible 12 months a year.

I am convinced that all of you, regardless of age, will want to head out this fall and explore the benefits offered by the pools, the gym, the weight-training room and the two multipurpose rooms!

Be sure to keep this Directory of Sports and Recreation Activities handy. It will be very useful in informing you about the services and facilities available to you!

Gérald Tremblay  
Mayor of Montréal

### Sports and recreation: another step toward a healthy lifestyle!

In June, our administration adopted the second part of its Policy to Promote a Healthy Lifestyle, which focuses on promoting physically active living. Our role is to encourage and facilitate adoption of this lifestyle by the entire community.

To this end, we are committed to creating, modernizing and maintaining urban infrastructures to promote physical activity across the borough. Our involvement is reflected in, among other initiatives, the recent official opening of the new

Notre-Dame-de-Grâce Sports Centre, projects to renovate the Côte-des-Neiges pool, and various improvements in the borough's parks. In this way, we are making sure our fellow citizens have access to modern facilities and technologically leading-edge equipment.

All of the borough's departments are also working together to provide citizens of all ages with high-quality sports and recreation services that are accessible, varied and safe. A vast array of activities, each of them extremely attractive and worthwhile, has been planned for you and your family! Simply peruse this Directory for ideas on how to get moving and to have a good time!

The online version of the Directory ([ville.montreal.qc.ca/loisirsenligne](http://ville.montreal.qc.ca/loisirsenligne)) will also help keep you informed of new activities introduced throughout the year!

Have fun, stay active and take another step toward a healthy lifestyle!

Michael Applebaum  
Mayor of Côte-des-Neiges—Notre-Dame-de-Grâce borough  
Chair of the Ville de Montréal Executive Committee

## Services and programs for people with disabilities

The borough of Côte-des-Neiges–Notre-Dame-de-Grâce is expanding its efforts in the area of universal access and equity to promote the social integration of people living with disabilities.

Engaging in a recreational or sports activity helps disabled people better integrate and take their place in society! We need to push back the limits of access to recreational activities, areas of citizen action just like study or work.

### Recreation: gateway to integration

AlterGo facilitates the social integration of people on the Island of Montréal who live with disabilities by supporting access to recreation. It works in collaboration with nearly 100 organizations and manages the recreational guidance program in partnership with all municipalities and boroughs on the Island of Montréal and with a number of organizations working in the recreation field.

Tel.: 514 933-2739, ext. 215 (ATS) - [www.altergo.net](http://www.altergo.net)

### Tourist and Leisure Companion Sticker (TLCS)

The Tourist and Leisure Companion Sticker (TLCS) is a measure to promote greater social integration of disabled people. The TLCS provides free entry to someone accompanying a person aged 12 or over with a disability.

To obtain the form online:

<https://www.vatl-tlcs.org/formulaire/>

To find out about the tourism, cultural and recreational sites that recognize the companion TLCS in Montréal, contact AlterGo at 514 933-2739, ext. 223, or visit: [www.altergo.net/programmes/vignette.html](http://www.altergo.net/programmes/vignette.html).
