EVENT SETUP PLAN

Please draw a setup plan that illustrates all of the structures and equipment, on the site of your event.

- > Identify the park and the streets to the North, East, South and West.
- Identify the route, starting and ending point.
- > Identify the location, the dimensions of the equipement and the location of the electricity source.
- > Identify the street, the intersections for the closure and the location of the barricades.
- > Identify the security (if applicable) and first aid station.

The plan must include all of the different equipement which have been requested to the borough (picnic table, garbage cans and barricades) and any equipement provided by the promoter (e.g. tent, canopy tent, etc.). In addition, you must include the location where the cooking and sale will take place, as well as the location for the banners.

No modification can be made once the plan as been validated.

*It is also possible to attach an electronic version of your setup plan.
