

Your Elected Officials

Dear Residents.

You are holding a copy of the Leisure Guide recreation schedule, an excellent source of information on all the activities and events taking place in the borough of Lachine.

Whether you're looking for community, sports, or cultural activities, the Lachine Borough and its many partner organizations offer a rich and varied program of sporting, educational, and recreational activities and entertainment for all age groups.

The guide also provides a wealth of useful information, a list of your neighbourhood partners and associations, a map of the borough, key addresses, and a list of outdoor recreational facilities such as playing fields and skating rinks.

I would also draw your attention to the Community Corner insert. If you're looking for information on Borough services, collection schedules, permits and authorizations, our dog by-law, urban safety tips, Éco-quartier activities, and more, you'll find it under Community Corner.

For environmental reasons, we no longer distribute this guide door-to-door. It is now available at municipal buildings in Lachine and on our website, in both French and English. You'll still receive our summary recreation guide at home. The guide, which is just a few pages long, contains the complete schedule of activities for children and adults offered by the Borough and its partners.

As you know, preparations for Lachine's 350th anniversary celebrations are in full swing. Visit us on our anniversary Facebook page (facebook.com/350lachine) and join in this exciting adventure.

Until then, I hope you'll bring 2016 to a close in fine form. If you need any inspiration, this guide should do the trick! My council colleagues and I are certainly excited about the year to come and we'll be looking to you to help make 2017 a year to remember.

Sincerely,

Claude Dauphin

LACHINE'S RECREATION ACCESS PROGRAM

Breaking Social Isolation with Physical Activity

A lot of families don't have the means for recreational activities. This program aims to break the cycle of social isolation by offering free recreational access to those with low incomes.

Packaging the Possibilities

Lachine's Recreation Access Program provides lists of programs with spaces available so people can choose. Our partners and community organizations are then tasked with contacting and informing the target clientele (low-income individuals and families) of the program registration period. Our municipal and private recreation partners are responsible for adding an extra, free spot to each of their classes.

On September 14 and 15, Lachine's Centre multi-ressources and its Carrefour d'entraide will hold a fourth Access Program registration period so that disadvantaged individuals and families living in poverty can access a complete range of recreational classes and activities at no charge, and in complete confidentiality.

A big thank you to our Lachine partners who decided to get involved! For more information, you can call Lachine's Centre multi-ressources at 514-634-3658 or sign up for the Borough newsletter at www.lachine.ca for details on where and how to register.

C.A.S.U.A.L. (Comité d'action en sécurité urbaine de l'arrondissement de Lachine) 800 rue Sherbrooke, Lachine, Québec H8S 1H2 514-634-3471, ext. 825

Montréal is one of the safest major cities in North America.

Like any city, though, it has certain urban problems. The City encourages everyone to be pro-active about safety and support local crime prevention and urban safety initiatives.

CASUAL can help everyone living in Lachine to appropriate public spaces, enjoy the full use of their property, provide their family with a safe living environment, and learn the value of solidarity and helping one another. It's part of the City of Montréal's Tandem group of actors for the Lachine sector.

A few of the initiatives:

- Home visits for residents who request them to prevent burglaries
- Activities to get people out into public spaces, reduce acts of incivility, and increase the feeling of safety in public spaces
- Awareness and information initiatives aimed at increasing the feeling of safety among women and families (e.g., conferences, exploratory walks);
- · Security marking activities for bicycles and bike safety tips
- Safety analyses for aspects of life in Lachine that impact the feeling of safety in a given sector: parks, supporting citizen initiatives, etc.

NEW <u>Lachine</u>'s Centre de Loisirs

Centre de Loisirs de Lachine, an all-are-welcome, user-friendly recreational organization, is now open in Lachine! It features a one-stop location where you can get information and sign up for your favourite activities; nearby, accessible services; certified monitors and instructors, and more!

Our goal is to promote, organize, offer, and diversify participation in recreational activities for toddlers, kids, teens, adults, and seniors, and to develop partnerships with other recreational organizations and institutions in the neighbourhood. Our priority: listen to your needs; offer a variety of innovative and high-quality services; and be your partner in well-being and health!

Starting this fall, we'll be offering activities in three categories:

Category 1: Recreational activities

Three times a year, you'll find a rich and diverse schedule of activities for children 0–12, teens 13–17, adults, and seniors. To sign up, head to Maison du brasseur (2901 boul. Category 2: Introductory activities

Centre de Loisirs' discovery category is called "Club Déclic Lachine." It's a way for you to try new sports and recreational activities. You can handpick the activities you'd like to try to create your very own schedule. There is also a low-cost program for families (parents/children) and adults.

Registration for the 2016 fall session will be on Sunday, September 18 from 11 a.m. to 3 p.m. at Dalbé-Viau Park (740 rue Esther-Blondin). Visit our Facebook page for more information and an overview of the new activities.

DOG BY-LAW

Out of respect for all borough residents, the by-law establishes certain rules of conduct for dog owners.

- · Dogs must be on a leash at all times (leashes must be at least 1.8 m) unless they are on a fenced property.
- At all times, your dog must wear an identification tag for the current year issued by the Borough. When pets run away, the identification tag often ensures their safe return home.
- Dog owners must pick up their pet's excrement using a bag and dispose of it properly.
- · Dogs are generally prohibited in parks, playgrounds, and public spaces, except for the following locations:
 - o Promenade du rail, between 10^e Avenue and 29^e Avenue and between Rue Victoria and Rue William-MacDonald
 - o Parc de La 55^e Avenue, corner of Highway 20
 - o Parc de La rue Victoria, corner of 40° Avenue
 - o Parc riverain Stoney Point, between 45° Avenue and 56° Avenue, 6 a.m. to 10 a.m. and 6 p.m. to 10 p.m.
 - o Dog park, Rue Victoria and 28° Avenue

Dog Park

The dog park is located on Rue Victoria close to 28e Avenue. Access is for Famille Canine Lachine members only. This group has been mandated by Lachine Borough to manage the dog park.

Schedule: Daily from 7 a.m. to 10 p.m.Registration: 514-634-3471, ext. 517 chiens.lachine.dogs@gmail.com

DID YOU KNOW?

The majority of complaints filed with the Borough are for one of these three things:

- 1. Garbage left on the curb outside of the scheduled times. Whether it's household garbage, recyclables, organic waste, or yard trimmings, items for collection must be left on the curb after 6 p.m. the night before your garbage or recycling day (see Collection Schedule above). The Borough also receives complaints for illegal dumping.
- 2. Dogs in areas where they aren't supposed to be, i.e., most parks, squares, and almost the entire waterfront (for a complete list, see the Dog By-law above).
- 3. Speeding in Borough streets.

Behaviour like this compromises the quality of life and safety of all Lachiners. Be mindful of your fellow citizens. When someone fails to uphold these basic rules, help us help everyone by letting us know.

Health Challenge Municipalities & Families

The Health Challenge is Québec's biggest campaign to promote healthy lifestyles. It starts in April and runs for six weeks. During that time, participants throughout Quebec aim to reach the three campaign goals:

30 Goal Get at least 30 minutes of physical activity per day

Wellness Goal Get a good night's sleep for a more balanced lifestyle

The Lachine Borough has made a list of free drop-in activities to help you reach these goals on your own or with your family.

In 2016, the Borough participated in the Health Challenge for a fourth consecutive year.

Congratulations to the 310 Borough residents who signed up.

Now let's all get moving and sign up for 2017!

Information and registration dates will be posted on our website in February 2017.
