

COMPOSTING FOR A GREENER CITY

Montréal 

PARTICIPATING IN THE NEW COLLECTION HAS NEVER BEEN SO EASY

1

Line your countertop bin with a compostable paper bag or newspaper.

2

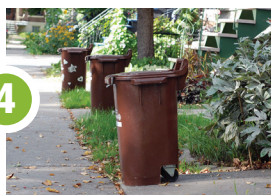

Place your food waste in the countertop bin.

3

Once the countertop bin is full, transfer its contents to the rolling brown bin.

4

On organic waste (green waste and food waste) collection day, place the rolling brown bin on the curb in front of your home.

For details on the different collections in your sector, please consult the Info-collectes service at ville.montreal.qc.ca/info-collectes or call 311.
