

Did you know that during snow removal operations, the 248 km of roads and the 104 km of sidewalks in the Borough are categorized according to three levels of priority?

PRIORITY 1 (27 km)

Major streets, major commercial streets, bus routes, reserved lanes, narrow streets, etc. (i.e. de Pierrefonds, Saint-Jean, des Sources)

PRIORITY 2 (20 km)

Collector streets, local commercial streets, regular bus routes, etc. (i.e. Pavillon, Sainte-Anne, Perron)

∴

PRIORITY 3 (214 km)

Local streets, industrial sectors, etc. (i.e. Baldwin, Hélène, Dauville)
