Lawn mower Information

Name of manufacturer (brand)	Model name and number	Type (manual, electric corded, or battery-operated)
Date of purchase	Amount	Store or seller

Eligibility requirements

The rebate is 50% of the after-tax purchase price of a manual, electric-corded or battery-operated lawn mower, up to a maximum of \$75.

To obtain this financial assistance, the following conditions must be met:

- Be the owner of a residential building or tenant responsible for the maintenance of the grounds on Saint-Laurent territory.
- Apply for only one eco-friendly lawn mower (manual or electric) per residential building.
- Have proof of a lawn mower purchase (bill) dating back no longer than 2016. If the bill does not clearly identify the lawn mower model, a photograph of the packaging is required.
- Provide the name and contact information of the seller if it is second-hand.
- Agree to use the lawn mower on the property of the building for which the application has been submitted.

Contract of agreement

I agree to use, only on Saint-Laurent territory, the eco-friendly lawn mower acquired through the financial assistance offered by the Borough.
