

WATERING PROHIBITED

Because of a significant drop in water levels of rivière des Prairies and as requested by the Pierrefonds Drinking Water Production Plant:

- Lawn watering is prohibited until further notice!
- Watering flowers is permitted provided it's being done by hand.
- Anyone who has put in a new lawn can obtain a permit allowing daily watering (except on Mondays) between 8 p.m. and 11 p.m., for a period of three consecutive weeks (proof of purchase required).
