## IMPORTANT NOTICE

September 30, 2009

**Subject: Electrical power in street lights – 1<sup>re</sup> Avenue**

Dear Residents:

Due to the repairs to parking lot no. 14 that are being carried out at the present time, behind Borough Hall, the electrical power in the street lights had to be temporarily cut off on the even-numbered side of 1<sup>re</sup> Avenue, between rue Bannantyne and rue de Verdun.

This interruption in the power supply is expected to last approximately five (5) weeks.

Rest assured that we are aware of the inconveniences that this work may cause and that we are taking the necessary measures to keep the impacts to a minimum.

If you have any questions regarding this project, please contact the Verdun Borough's *Division Ingénierie* at 514 765-7075 or phone 3-1-1. Information will also be available on the Borough's website ([ville.montreal.qc.ca/verdun](http://ville.montreal.qc.ca/verdun)).

We thank you for your cooperation.

*La Direction des travaux publics – division Ingénierie*
