

## Notice

### Changes to Parking Signs

As mentioned in previous notices, the Verdun Borough hereby wishes to inform you that changes will be made to the parking signs in your area. The changes are as follows:

#### **SPRR zones (rue Willibrord and 1<sup>re</sup> Avenue, between rue Bannantyne and rue de Verdun)**

- **Relocation of certain zones for street parking reserved for residents (SPRR)**, as shown on the map below (in French).
- **Changes to the schedule for these zones:** The days of the week (Monday – Friday) will be removed from the signs and therefore parking will be reserved for residents every day, 9 a.m. – 9 p.m. The purpose of this change is to make street parking reserved for residents consistent throughout the territory.

We wish to remind you that although these parking spaces are reserved solely for permit holders, they are also subject to certain parking restrictions. These restrictions are marked on the sign located above or below the one concerning the SPRR zone.

#### **April 1 – October 31**

The parking restrictions must be obeyed in order to allow for street maintenance.

#### **November 1 – March 31**

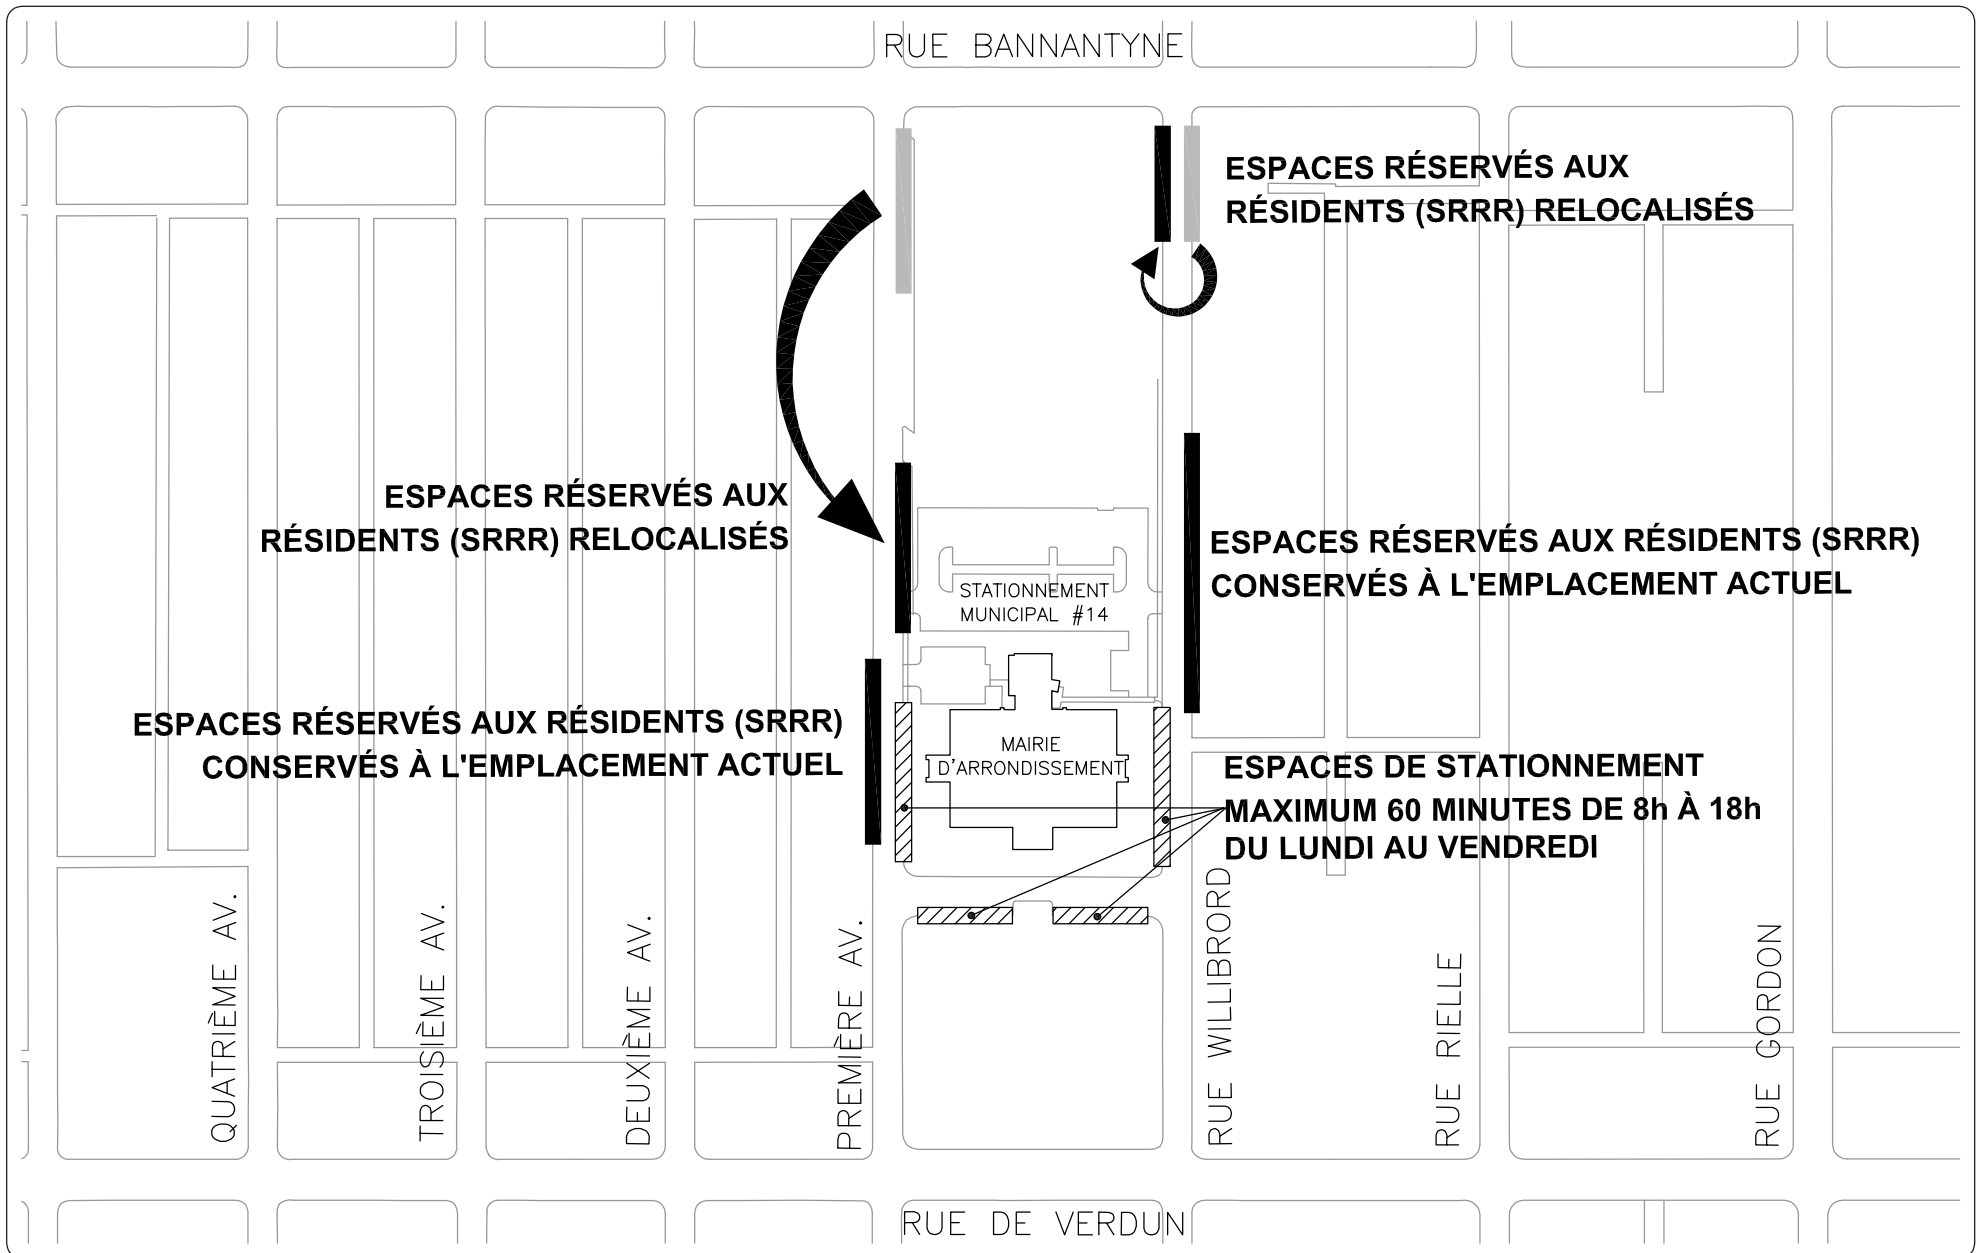

You must obey the no-parking periods indicated on the signs or phone the dynamic sign telephone number marked on the sign in order to find out whether the parking restrictions for snow clearance have been lifted.

#### **Parking zones next to Borough Hall**

- **Rue Willibrord and 1<sup>re</sup> Avenue**  
Change to the schedule in the zones located on the sides of Borough Hall: From now on, parking will be limited to 60 minutes, **8 a.m. – 6 p.m.**, Monday to Friday, and no longer from 9 a.m. – 7 p.m., Monday to Friday.
- **In front of Borough Hall**  
Change to the schedule in the "maximum 2-hour" zones, 9 a.m. – 7 p.m., Monday to Friday. From now on, parking **will be limited to 60 min., 8 a.m. – 6 p.m.**, Monday to Friday.

For any information on these changes, please don't hesitate to phone us at 514 765-7075.

We thank you for your cooperation.
