

FOR IMMEDIATE RELEASE

**Plan Ahead: Major Detours
During the Weekend of November 6-9
for Motorists Entering and Exiting L'Île-des-Soeurs**

Verdun, November 3, 2009 – Due to the work involved in reconfiguring the L'Île-des-Sœurs entrances and exits, motorists entering and exiting L'Île-des-Sœurs will be detoured around this area starting at 8 p.m. on Friday, November 6 and up until 5 a.m. on Monday, November 9. During this weekend, the only way to get onto the island will be via the L'Île-des-Sœurs bridge (Autoroute 15 Sud) and exit 57.

Similarly, to get off the island, toward all directions, motorists will have to take René-Lévesque, as the ramp starting at the entrance roundabout, and providing access to the Bonaventure Expressway and Autoroute 15 Sud, will be closed.

Please note that signs will be posted at the locations concerned in order to guide motorists.

The Verdun Borough thanks residents for their cooperation during this new phase of the work being carried out to improve the L'Île-des-Sœurs entrances and exits, and urges everyone to drive carefully at the approach to the worksites.
