

***Draft Land Use Planning and Development Plan
of the urban agglomeration of Montréal***

At its meeting of September 18, 2014, the urban agglomeration council adopted the draft Land Use Planning and Development Plan (draft by-law P-RCG 14-029, titled « *Règlement modifiant le règlement concernant le schéma d'aménagement de l'ancienne communauté urbaine de Montréal (89 modifié)* ») and mandated the standing committee on the Land Use Planning and Development Plan to hold a public consultation meeting.

The draft plan covers the main orientations that will provide the framework for the land use planning and development of the urban agglomeration territory over the upcoming years. Those orientations namely pertain to the quality of life, the dynamic nature of the urban agglomeration and the activity poles, the development of territories of interest, the land-use designation and the density of its occupation.

The public consultation meeting will be held in three parts. The first will be information sessions held in October, and will be intended for the presentation of the Land Use Planning and Development Plan by the *Direction de l'urbanisme*, as well as for public questions. The second part will be the hearing of opinions, to be held in November. The adoption of recommendations by the committee will be the object of the third part.

Committee members extend the invitation to citizens and representatives of organizations to participate in these public consultation meetings, scheduled to take place as follows:

TIME: 7 P.M.
