

PUBLIC CONSULTATION
Vacant spaces on commercial streets

By the Commission sur le développement économique et urbain et l'habitation

Purpose of the public consultation

The Commission sur le développement économique et urbain et l'habitation has been mandated to consult the public in order to find solutions to the vacancy problem on commercial streets.

Public consultation process

The following is a calendar of important dates in the public consultation process. After reviewing the information collected, the Commission will present its recommendations at a public sitting, the date of which will be announced later.
