(e.g. paint, oil, solvent, pesticide, chlorine, etc.)
- **Green waste\***  
(e.g. yard waste and dead leaves)

\* Directives may vary according to the season

# DONATION CONTAINER

Every ecocentre has a donation container where you can deposit clothing, linen and household accessories (e.g. bed sheets, towels, tablecloths, kitchen linen, etc.)

# BEFORE THROWING AWAY, THINK ABOUT REUSE

Furniture, household items, books, toys, sports items and other objects that are still useable may be left at one of the ecocentre reuse centres (same opening hours as the ecocentres). These donations are sent to organizations or businesses that work in the field.

Did you know that at the LaSalle and Saint-Laurent ecocentres, you can purchase used doors, windows, bathtubs, wash basins, sinks, ceramic tile and other items?

# RECYCLING CENTRES

exclusively for Montréal Island residents

Ecocentres are sites where waste can be reused and recycled and they are accessible to all residents of the Montréal urban agglomeration. The materials accepted at ecocentres include the following: construction/ renovation debris, dangerous household waste and reusable materials. Ecocentres keep a great deal of waste out of landfills.

# PROPER SORTING FOR BETTER RECYCLING

Sorting beforehand translates into a simple, quick trip to the ecocentre.

Sorted materials can be transferred more easily to specialized recycling companies

This helps the Montréal urban agglomeration and its residents significantly reduce landfill costs.

For your safety at the ecocentre, you should wear closed shoes, safety goggles and gloves when dropping off items.

## WINTER SCHEDULE\*

October 15 to April 14  
Tuesday to Saturday, 10 a.m. to 6 p.m.

## SUMMER SCHEDULE\*

April 15 to October 14  
Every day from 8 a.m. to 6 p.m.

\* The regular schedule applies to all holidays except Christmas

Please note that the schedules shown here may change without notice. Please contact 311 for more information on business hours.

## ACCESS AND FEES

### Agglomeration residents

- Go to the ecocentre in person with proof that you live on the island of Montréal and a photo ID.
- Building materials:
  - 12 cubic metres or less: free
  - More than 12 cubic metres: \$25/cubic metre
  - No minimum (however, our records will indicate at least 1 cubic metre per visit)
  - Maximum of 15 visits per year, except for the LaSalle and Saint-Laurent ecocentres, where visits are unlimited.
- Other materials are free of charge. Certain limits may apply.

### Contractors and self-employed construction workers

- Provide proof that the company is located on the island of Montréal (or be accompanied by a resident of the Montréal urban agglomeration at whose home the work took place).
- Building materials:
  - \$25/cubic metre
  - No minimum (however, our records will indicate at least 1 cubic metre per visit)
  - Maximum of 15 visits per year, except for the LaSalle and Saint-Laurent ecocentres, where visits are unlimited.
- Metal, green waste and electronic products are free of charge. Certain limits may apply.
- Other excluded materials
