BY-LAW
15-069 (Office consolidation)

N.B. This office consolidation was prepared for convenience only and has no official value. No guarantee may be given as to its accuracy. For legal purposes, readers should refer to the official version of the by-law and each of its amendments.

BY-LAW CONCERNING SOLID-FUEL-BURNING DEVICES AND FIREPLACES

OFFICE CONSOLIDATION OF SEPTEMBER 12, 2017
(15-069, as amended by Ord. 1)

In view of sections 4, 19 and 85 of the Municipal Powers Act (CQLR, chapter C-47.1);

In view of sections 369 and 411 of the Cities and Towns Act (CQLR, chapter C-19);

In view of section 47 of schedule C to the Charter of Ville de Montréal (CQLR, chapter C-11.4);

At its meeting of August 17, 2015, city council enacts:

CHAPTER I
GENERAL PROVISIONS

1. This by-law applies to solid-fuel-burning devices and fireplaces with the exception of a device used for cooking food, for commercial purposes, installed in a building where commercial use is authorized.

15-069, a. 1.

2. In this by-law, the words “authority having jurisdiction” mean the director of the *Service de l’environnement* or the director’s authorized representative.

15-069, a. 2.

CHAPTER II
DECLARATIONS

3. The owner of a solid-fuel-burning device or fireplace must declare it to the authority having jurisdiction, within 120 days following its installation or construction, by completing, in the prescribed manner, the form in schedule A to this by-law.

The owner of an existing solid-fuel-burning device or fireplace at the date of the coming into force of this by-law must declare it, in accordance with the first paragraph, within 120 days from that date.

15-069, a. 3.

4. The owner who replaces or removes a solid-fuel-burning device or fireplace must declare it to the authority having jurisdiction, within 120 days of its replacement or removal, by completing, in the prescribed manner, the form in schedule A to this by-law.

15-069, a. 4.

CHAPTER III

USE

5. No solid-fuel-burning device or fireplace may be used or left to be used, unless it is recognized by an organization identified in schedule B to this by-law, as part of a certification process, establishing that it has an emission rate equal to or less than 2.5 g/hr of fine particles into the atmosphere.

The prohibition under the first paragraph does not apply to an EPA or CAN/CSA-B415.1 certified pellet device installed before this article takes effect in accordance with the applicable municipal by-law at the time of its installation.

15-069, a. 5.

6. No solid-fuel-burning device or fireplace may be used or left to be used when a smog warning issued by Environment Canada is in effect for a region that includes Montréal, in whole or in part.

15-069, a. 6.

7. The prohibitions under articles 5 and 6 do not apply when an electrical failure affecting the building in which the solid-fuel-burning device or fireplace is located lasts more than 3 hours.

15-069, a. 7.

CHAPTER IV

INSPECTION AND ORDINANCE POWERS

8. Upon presentation of identification, the authority having jurisdiction may, for the application of this by-law, visit, examine and take photographs of any movable or immovable property.

Every person must allow the authority having jurisdiction to enter a building without interfering with the performance of their duties.

15-069, a. 8.

9. The executive committee may, by ordinance:

- (1) amend or replace the declaration form for solid-fuel-burning devices and fireplaces in schedule A to this by-law;
- (2) amend or replace the list of organizations in schedule B to this by-law;
- (3) amend the emission rate of fine particles under article 5.

15-069, a. 9.

CHAPTER V
OFFENCES AND PENALTIES

10. Any person who contravenes this by-law is guilty of an offence and is liable:

- (1) in the case of an individual:
 - (a) for a first offence, to a fine of \$100 to \$500;
 - (b) for a second offence, to a fine of \$500 to \$1,000;
 - (c) for a subsequent offence, to a fine of \$1,000 to \$2,000;
- (2) in the case of a corporation:
 - (a) for a first offence, to a fine of \$200 to \$1,000;
 - (b) for a second offence, to a fine of \$1,000 to \$2,000;
 - (c) for a subsequent offence, to a fine of \$2,000 to \$4,000.

15-069, a. 10.

CHAPTER VI
PENAL PROVISIONS

11. This by-law comes into force in accordance with the law.

However, article 5 takes effect on October 1, 2018.

15-069, a. 11.

12. The By-law concerning the construction and conversion of buildings (11-018) is amended by replacing article 12 by the following article:

“12. The installation, inside a building, of any solid-fuel-burning device or fireplace is prohibited unless the device or fireplace is recognized by an organization identified in schedule B to the By-law concerning solid-fuel-burning devices and fireplaces (15-069), as part of a certification process, establishing that it has an emission rate equal to or less than 2.5 g/hr of fine particles into the atmosphere.

This by-law does not apply to a device used for cooking food, for commercial purposes, installed in a building where commercial use is authorized.

For the purposes of this article, installation includes replacement.”.

15-069, a. 12.
