Dear Sir,

The Civic Improvement Committee of the Province of Quebec Association of Architects submits for your honoured inspection a plan, which shows a studied scheme for the future improvement of Fletcher's Field.

We would greatly appreciate the opportunity of appearing before you and the Finance Committee at an early date, with the object in view of explaining in detail the various parts of the scheme.

We have prepared a French and English description, which accompanies the plans.

Will you be so kind as to see that the drawing and the description are placed before the Finance Committee at as early a date as is convenient and greatly oblige,

Yours Faithfully, *W. S. Maxwell*
