INDEPENDENT AUDITOR'S REPORT

To the leadership of Quartier Montreal

Qualified Opinion

I have audited the financial statements of Quartier Montreal (the Party), which comprise the statement of financial position as at December 31, 2021, and the statement of operations and evolution of net assets, statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In my opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the accompanying financial statements present fairly, in all material respects, the financial position of the Party as at December 31, 2021, and its statement of operations and evolution of net assets and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations

Basis for Qualified Opinion

Due to the inherent nature of the transactions of the registered Party, the completeness of contributions and other revenue and expenses is not susceptible to satisfactory audit verification. Accordingly, the verification of these revenues and expenses was limited to the amounts recorded in the records of the Party.

I conducted my audit in accordance with Canadian generally accepted auditing standards. My responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit* section of my report. I am independent of the Organization in accordance with the ethical requirements that are relevant to my audit of the financial statements in Canada. and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Restriction of Use

The financial statements are prepared to assist the registered Party to meet the requirements of the Elections and Referendum of Municipalities Act. As a result, these financial statements may not be suitable for another purpose. My report is intended for the financial agent and the chief electoral officer and should not be used by any other parties.

Responsibilities of Leadership for the Financial Statements

The leadership of the Party is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for non-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the financial agent is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken based on these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards. I exercise professional judgement and maintain professional skepticism throughout audit. I also:

Identify and assess the risks of material misstatement of the financial statements
whether due to fraud or error, design and perform audit procedures responsive to
those risks, and obtain audit evidence that is sufficient and appropriate to provide
a basis for my opinion. The risk of not detecting a material misstatement due to
fraud is higher than for those resulting from error, as fraud may involve,
collusion, forgery, internal omissions, misrepresentations, or override internal
control.

Page 2 of 9

Yasef Eli, CPA auditor, CA

- Obtain an understanding of internal control relevant to the audit to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of
 expressing an opinion on the effectiveness of the organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of the managements' use of the going concern basis of accounting, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organization's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or if such disclosures are inadequate to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However future events or conditions may cause the organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those in charge with governance regarding among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.
