

Notice of work

Holiday break

Water main construction on Avenue Chanteclerc

Resumption of work: from late January to spring 2023

Information

Regular activities at this site will resume in late January 2023. Once construction of the water mains has been completed, paving work will begin in spring, after the thaw.

Work planned for 2023

- Construction of a drinking water main between Boulevard Strathmore and Boulevard Neptune.
- Temporary paving worked will be performed, followed by final paving of trenches to insert the water main.

Impacts on your daily life

Traffic

- Only local traffic will be permitted on Avenue Chanteclerc, between Boulevard Graham and Avenue Deslauriers.

Parking

- A short-term parking ban is planned for the work area.

Access to Surrey dog park

- Due to soil conditions, the northern part will remain closed until late spring 2023. The southern part of the park will remain accessible throughout the work.

Happy holidays from all the work teams!
