

Redesign of Rue Saint-Antoine

Asphalting work: complete closure between Avenue Greene and Rue Rose-de-Lima

In the week of October 9, 2023

Approximate duration: one day

Traffic

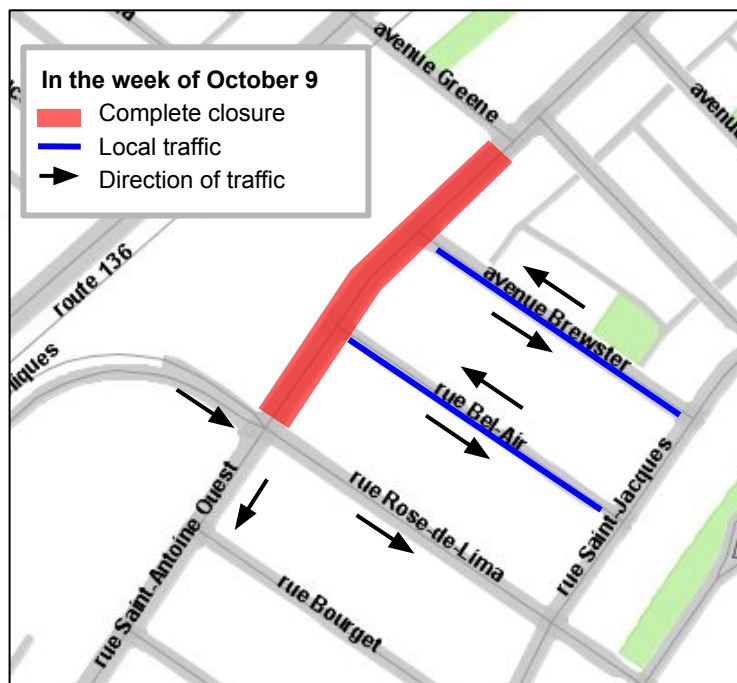

Rue Saint-Antoine

Cross streets

Access to
Rose-de-Lima

In the week of October 9 for the duration of one day:

- Between Avenue Greene and Rose-de-Lima: complete closure. On-site signage will indicate the detours to follow.
 - Two-way local traffic possible on Avenue Brewster and Rue Bel-Air, between Rue Saint-Jacques and Rue Saint-Antoine.
 - The access to Rue Rose-de-Lima will only be possible via exit 2 of Route 136 during the work for the **duration of one day**.
- Please Note**
- These interventions could be delayed or their duration extended due to weather or other constraints;
 - The obstruction on Rue Saint-Antoine between Avenue Atwater and Avenue Greene remains in place until beginning of November.

Collections

- Usual schedule. Impacted areas: place your garbage cans and bins well-identified with your address at the usual place. The containers that are not accessible to the garbage collectors will be moved by the contractor.

Schedule of work

- Monday to Friday, from 7 a.m. to 7 p.m.
- Saturday, from 8 a.m. to 7 p.m., and Sunday, from 9 a.m. to 7 p.m., if necessary.

Mobility and active travels (pedestrians and public transport)

- Arrangements have been planned to allow pedestrian traffic at all times.
- Public transport services maintained, but stops, schedules and routes may be adjusted. Information: STM-INFO (514 786-4636) or stm.info.
- If you have mobility issues, plan to move, do work on your property, or any other situation for which it is pertinent to inform the site manager, dial 311 to speak to an agent.
