# LIFE IN PIERREFONDS-ROXBORO

## BOROUGH COUNCIL MEETINGS

### Council room

Borough Hall  
13665, boulevard de Pierrefonds  
Pierrefonds

### SEPTEMBER

Tuesday, September 4, at 7 p.m. (exceptionally)

### OCTOBER

Monday, October 1, at 7 p.m.

To ensure that the question period during Borough Council meetings proceeds smoothly, residents who wish to address council members are asked to register with the Borough Secretary before the meeting. The Borough Secretary will be in the council room as of 6:45 p.m. to record your name and address, and the nature of your question. During the question period, you will be asked to address your question to the members of council.

### Note

No photographic cameras, movie cameras, recorders and similar apparatuses, except those used by the secretary, may be used without the mayor's authorization (By-law CA29 0046).

Dates for **Urban Planning Advisory Committee** meetings will be announced on the borough's electronic billboards and website.

## CITY COUNCIL MEETINGS

### Montréal City Hall

275, rue Notre-Dame Est  
Mondays, August 20, September 24  
and October 22, at 2 p.m.

**Public question period starts at 7 p.m.**

# MESSAGE

## MESSAGE FROM MONTRÉAL MAYOR

---

Each summer, we complete hundreds of improvement projects. The investments we make in infrastructure boost our quality of life and enhance the services we provide residents. We are of course aware that such work affects the flow of traffic. That is why we created the Montréal Mobility Committee last year.

This committee helps the city, the Ministry of Transportation and all of our partners work closely in coordinating efforts to minimize impact on road use. Last year's initiatives ensured a smoother return to classes. We will apply every effort to achieve the same excellent results this year.

We have also enhanced our public transit and active transportation options to provide alternatives for all Montréalers. For example, we installed additional bike links, along with new reserved and express bus lanes in Pierrefonds-Roxboro this summer to speed travel to and from downtown. "Everyone is part of the solution," as the Montréal Mobility campaign reminds us.

Please visit [ville.montreal.qc.ca/chantiers](http://ville.montreal.qc.ca/chantiers), follow [twitter.com/Mtl\\_Circulation](https://twitter.com/Mtl_Circulation) or call Info-travaux at 514 872-3777 to get a heads up on work in progress.

Enjoy the rest of your summer!

Gérald Tremblay, Montréal Mayor

## MESSAGE FROM THE BOROUGH MAYOR

---

### ALL TOGETHER: VIGILANCE AND CAUTION

Council members and employees of the Pierrefonds-Roxboro Borough all work together to beautify streets and parks in order to provide a safe and clean environment to all. Consequently, we wish to have a cleaner territory but unfortunately some parks or sports installations are assaulted with repetitive vandalism.

Various projects have been realized during the summer; many infrastructure repairs and street paving were completed and we have carried out modernization in several parks. We are pleased with the achievements of our public works team but we are filled with dismay when the result of one's work is damaged, destroyed and even burned; such harm brings additional costs to the borough and affects our quality of life.

Worrying about vandalism is important, but security of people is even more so. During the last quarter, there have been several accidents

involving injuries. The main reasons are speed and failure to comply with traffic signals. What concerns us most is the impact on people's life and families. An accident with injuries can drastically change the life of a child, a mother or father. It is a matter of social responsibility.

#### WE NEED YOU!

Our public security officers patrol the 29 km-long Pierrefonds-Roxboro territory and have a lot to monitor. However, vandalism reaches very high costs, including damages caused by a fire in a park that had just been modernized; the replacement costs of the equipment and repairs have been very important. We need your cooperation to help preserve the result of one's work. These acts of vandalism concern each one of us. Please do not hesitate to dial **911** should you notice any mischief against the borough's property, such property belonging to us all.

#### YOUR VIGILANCE IS IMPORTANT!

At each Borough Council meeting, our commander at Neighbourhood Police Station 3 reports activities and mischief that occurred in our borough over the previous month. Notably through citizen's collaboration, recently there have been many arrests and some preventive measures were taken. During the question period, we receive questions and comments from citizens that help us target specific locations like boulevards or streets where the speed of motorists is too high and where motorists go through red lights. We are asking reckless motorists to think about the consequences of what a few minutes less on their travelling time would be on another citizen's life, his family and even on their own lives.

I thank all citizens collaborating with us to ensure that our borough remains a safe place to live in.

Monique Worth, Borough Mayor

# MESSAGE

Catherine Clément-Talbot  
Borough Councillor

## MESSAGE FROM THE BOROUGH COUNCILLOR CAP-SAINT-JACQUES DISTRICT

---

### PIERREFONDS-ROXBORO, SUCH A PLEASANT BOROUGH TO LIVE IN!

Spring always fills me with wonder as I go about in our borough. Vegetation displays multiple shades of green and blooming lilacs fill the air with such an exquisite smell. Already in May our employees were very active cutting grass, planting flowers, cleaning flower-beds, shredding branches (on demand), etc. What a great way to sparkle our happiness!

By August, when we receive our municipal magazine, we have already forgotten spring and are rather active going through the summer holiday period. For those who choose to spend some vacation time in our borough, our cultural program offers plenty of activities. Until next spring, see the pages dedicated to it in every number of the Life in Pierrefonds-Roxboro municipal magazine. Our 67 parks also provide truly pleasant moments for you to enjoy. It is up to you to take advantage of those opportunities.

We are counting on your comments and suggestions that are always welcomed. Your contribution is an important part of our success.

Flower-bed near the  
Borough Hall

## MESSAGE FROM THE BOROUGH COUNCILLOR BOIS-DE-LIESSE DISTRICT

---

Dimitrios (Jim) Beis  
Borough Councillor

We are so proud of and grateful to our individuals, volunteers and staff for making our borough so vibrant and dynamic. Because of them we live with many opportunities for ourselves, our families and friends to participate in all aspects of community life.

I would like to encourage you, as I do from time to time, to get involved in your local community by volunteering and / or participating in the many programs offered in our borough. Our community is the cornerstone of our day to day lives and it's what builds sense of belonging and well being. Our borough is also very diverse allowing our children to grow up in a community rich in culture and this needs to be celebrated. We also offer many activities beginning in September for people of all ages and abilities. Please consult our website or call our team of experts in our recreation department. They will be happy to assist you.

I also want to take this opportunity to thank all the residents who have contacted me in the past with many issues and great suggestions on how we can make our community a better place to live. I encourage you to continue and to be involved. As you may know, Roxboro will be celebrating its Centennial in 2014. I have a few dedicated residents who have graciously given their time to plan a celebration, at least the preliminary planning. I am asking for a few more to be involved. Please send me your contact information and I will be happy to send you our upcoming agendas and get you involved.

Have a safe and exciting back to school season  
and enjoy the wonderful fall colours!

# CULTURAL PROGRAMMING

## FREE OUTDOOR SHOW

Photo: Rolline Laporte

### Théâtre La Roulotte: Peter Pan

Date  
**Tuesday, August 21, at 7 p.m.**

Location  
**Grier Park**

**Free of charge!** For the whole family, bring your chairs, cancelled in case of rain.

Information  
[accessculture.com](http://accessculture.com)

## LES JOURNÉES DE LA CULTURE

### Azam Ali

(For the whole family)

Young and old will have the unique opportunity to spend a very special evening with this internationally renowned Iranian singer. She imagined an evening of songs and music

from lullabies to exotic Iranian more traditional songs.

# PUBLIC LIBRARIES ACTIVITIES

## INFORMATION ABOUT ACTIVITIES

### ACCESS TO ACTIVITIES

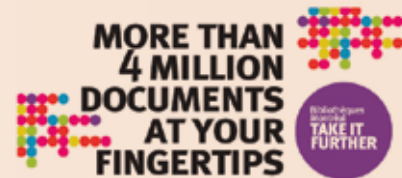

Resident and non-resident library members as well as all members of the Montreal Public Libraries Network are welcome to participate in the Pierrefonds and Roxboro public libraries activities. However, in case of limited places, priority will be given to Pierrefonds-Roxboro residents.

### COST OF ACTIVITIES

All activities are free of charge unless stated otherwise. Your membership card must be presented at the door.

### REGISTRATION

Registration prior to the activity is compulsory for all our activities. Registration may be done by phone or in person.

Membership at the libraries is **FREE OF CHARGE** for Ville de Montréal residents. Enjoy all the services we offer!

[bibliomontreal.com](http://bibliomontreal.com)

## PIERREFONDS PUBLIC LIBRARY

13555, boul. de Pierrefonds  
514 620-4181, extension 2203  
[ville.montreal.qc.ca/pierrefonds-roxboro](http://ville.montreal.qc.ca/pierrefonds-roxboro)

### Bus routes

68 / 201 / 205 / 208 / 209 / 409 / 468 / 470

### Opening hours

Mondays to Thursdays: 10 a.m. to 9 p.m.

Fridays: 10 a.m. to 6 p.m.

Saturdays and Sundays: 10 a.m. to 5 p.m.

### Holidays – closed

Labour Day: Monday, September 3

Thanksgiving Day: Monday, October 8

### SERVICES

#### Wireless internet

Wireless Internet is available free of charge to all library members.

#### Le Portillon

Pierrefonds Public Library has a delivery service: “Le Portillon”. Are you housebound? This service is for you! Novels, non-fiction books and talking books right to your door! Sign up by calling 514 620-4181, extension 2203, **it's free!**

## REGULAR ACTIVITIES FOR ADULTS

### FRENCH BOOK CLUB

with Aline Apostolska

Come and share your enjoyment of reading in a friendly and calm atmosphere.

**One Thursday a month starting September 13, from 2 p.m. to 4 p.m.**

**Compulsory registration**

### ENGLISH BOOK CLUB

with Mary Soderstrom

Every month read a book suggested by our club leader and share your impressions with other readers along with a good cup of coffee.

**One Monday a month starting September 10, at 7:15 p.m.**

**Compulsory registration**

Photo: flickr.com/photos/darounet

## SCHOOL SUPPLIES COLLECTION

The Pierrefonds and Roxboro Libraries will accept all donations of school supplies for grade-school children during the entire month of August. Give whatever you can: erasers, pencils, copy books, lined paper, school bags, lunch boxes, etc. Articles collected will be given to pupils in need from the borough of Pierrefonds-Roxboro. Please help! All our children deserve success!

## PUBLIC LIBRARIES ACTIVITIES

### LES MOTS PARTAGÉS

with **Hélène Denis**

(in French)

For people with a good knowledge of the French language and who wish to improve it. Participants meet to discuss a book they have read at the suggestion of the animator. Meet interesting people and share your culture with them!

**Tuesdays, September 11 and October 9,  
at 7 p.m.**

**Compulsory registration**

### LECTURES AND WORKSHOPS FOR ADULTS

#### **AUTHOR VISIT: TREVOR FERGUSON**

# BY-LAWS

## WINTER SHELTERS

After receiving many complaints from its snow-clearing crews, the Borough took a count of all snow shelters and noticed that most of them are non-conforming to article 64 of Zoning By-law CA29 0040. Generally, these winter garages did not respect the distance from the curb, the street or the sidewalk.

In Pierrefonds-Roxboro, it is permitted to install one winter garage, one winter doorway shelter and one winter tunnel on a single property **between November 1 and April 15**.

All shelters must meet the following requirements:

- Shelters must be installed at least at 2.5 m from the edge of the street or of the roadway and at least 1 m from the sidewalk;
- The structure of these shelters must be covered **in a tone of white** fibrous synthetic canvas, waterproof and fireproof;
- The materials used for the winter shelter must be well maintained;
- The maximum height of a winter shelter is set at 3 m.

### Minimum distance between the shelter and the sidewalk: 1 meter

Illustration: Éric Massie

### Minimum distance between the shelter and the curb: 2,5 meters

Illustration: Éric Massie

**Please note that the non compliance with legislation on temporary shelters is considered an offence for each requirement that is not respected and is liable to a fine.**

## TREE TOPPING IS PROHIBITED!

The revision of By-law CA29 0040, adopted in 2010, contains provisions to protect trees against practices that affect their survival. Undoubtedly, this regulation prohibits the severe pruning of the crowns of trees. Thus, the borough hereafter considers the removal of more than 50% of the crown as illegal. Liability may result in a fine of \$500 to which an amount of \$100 may be added per each tree cut.

The application of this new measure is a direct result of too many trees being topped as observed by borough officials. Tree topping consists of pruning all branches of a tree at the same height, often near the trunk, in order to limit the growth of a tree already considered too large. This practice is known to be the most damaging since it increases the risk of breakage (development of cavities, decay) and renders trees more dangerous than were previously.

Topping is not a solution to reduce the size of your trees. Other practices exist. Entrust the work to a qualified arborist, member of a professional organization such as the International Society of Arboriculture of Quebec: [siaq.org](http://siaq.org).

### JUST A REMINDER...

## CHIMNEY SWEEPING

Chimney sweeping and the cost incurred are the homeowner's responsibility. To prevent fires, have your chimneys inspected and cleaned at least once a year. Always call upon a professional chimney sweep.

For your own protection as well as his, insist on seeing his or her Professional Qualification Certificate and proof of insurance.

## DOG AND CAT LICENSE RENEWAL

### MEDALS ARE ON SALE AT THE BOROUGH HALL

The Pierrefonds-Roxboro By-law CA 290011 specifies that: “No one can keep a dog or cat within the borough limits without obtaining a permit, in conformity with the provisions of this by-law.” It is therefore forbidden to keep a dog or cat without a license in the Pierrefonds-Roxboro Borough.

A permit for a dog and a cat is valid from August 1 of one year to July 31 of the following year. Dog and cat owners must obtain a tag for their animal by filling out the form below. In case of more than one animal at the same address, photocopy as needed or write the information on a sheet of paper.

The maximum number of animals allowed in a dwelling is three (3 dogs, 3 cats or 3 of these animals combined).

The form and the sterilization certificate\* must be:

- Mailed to the Borough Hall  
13665, boulevard de Pierrefonds  
Pierrefonds (Québec) H9A 2Z4  
with the appropriate payment;
- Or brought to the Citizen Services Office of the Borough Hall – where the licenses are sold – from Monday to Thursday from 8 a.m. to 5 p.m. and Friday from 8 a.m. to 12 p.m.  
Upon receipt of the duly filled and signed form, the tag and the receipt will be given or mailed to the owner.

For more information, please call

# COLLECTIONS

## PAPER BAGS INSTEAD OF PLASTIC BAGS FOR GREEN WASTE COLLECTION: THE WHYS?

### THE QUALITY OF PRODUCED COMPOST

Despite all the debagging techniques, either at the beginning and / or after the sifting of the finished product, the best way to eliminate the presence of plastic in the compost is to prohibit the collection in plastic bags.

### GOVERNMENT OF QUEBEC'S GUIDELINES FOR THE MANAGEMENT OF COMPOSTING ACTIVITIES

One of the environmental impacts of composting of organic materials is the release of odors at levels that can create nuisance in the surrounding neighborhoods. The guidelines refer to four categories of odor ranging from "low odor" to "not rated". Leaves, for example, belong to the "low odor" category while grass clippings or plant waste are considered "highly malodorous".

If these residues are collected in plastic bags, they are considered as "not rated" because of the odor emissions when opening bags. Therefore, to prevent odors, green waste must be placed in a paper bag, cardboard box or in any reusable container.

## BRANCH COLLECTIONS: A FIRST STEP TO SLOW THE EMERALD ASH BORER INFESTATION

Do not put tree branches, whatever the species, size or dimensions, in the green waste or garbage container during collections. All branches must be put to pick-up separately.

The branches will be picked-up free of charge on the condition that the citizen calls 311 and gives his address to a social communication agent.

### Note

This service is not offered in the case of a tree felling. Citizens must dispose of the trunk resulting from the operation, at their own expense, and in accordance with the requirements of the Canadian Food Inspection Agency (CFIA).

Remember that obtaining a certificate of authorization is mandatory for the felling of a tree with a diameter exceeding 10 cm measured at 25 cm above the ground.

For more information on the emerald ash borer and the actions taken by the Ville de Montréal and the Borough of Pierrefonds-Roxboro to preserve our urban forest, please visit the website: [ville.montreal.qc.ca/agrile](http://ville.montreal.qc.ca/agrile).

**The deadline for branch collection is the last Friday in October. This service is not offered during the winter months.**

## RECYCLABLES: HOW TO POSITION THE RECYCLABLE MATERIALS BIN FOR COLLECTION?

Recyclable bins collection is now mechanized. Therefore, you should respect the following instructions:

Image courtesy of the Borough of Saint-Laurent

- Place the bin at the curb the day before collection after 8 p.m. or on collection day before 7 a.m.;
- The bin should be placed on your property, **wheels and handle facing your home**. Never place the bin on the sidewalk or street;
- Place the bin at 15-30 cm (6-12 inches) from the curb (important during snow removal);
- Leave a clearance of at least 1 m (3 ft) around the container;
- Make sure that **the container lid is closed and that it does not overflow**. No recyclable material outside the bin will be picked up;
- The recycling bin should be easily visible and accessible to the operator at all times.

**MISPLACED BINS WILL NOT BE EMPTIED.**

## HOUSEHOLD HAZARDOUS WASTE COLLECTION

Household hazardous wastes are not accepted as household garbage or bulky items, nor as recyclable materials. They must be brought to the locations, on the dates and times indicated below.

**It is strictly prohibited to deposit hazardous wastes on city land, at all times.**

If you cannot wait for the next collection, inquire with local merchants. Paint retailers often accept left over paints and garages usually take used oils and old tires.

Ville de Montréal Ecocentres enable you to dispose of your HHW anytime free of charge. A proof of residence "Ville de Montréal" and a proof of identity with photo are required for access to the Ecocenters.

The closest Ecocenters are:  
Acadie, Côte-des-Neiges and LaSalle  
☎ 514 872-0384.

The entire Ecocenters list is available on:  
[ville.montreal.qc.ca/ecocentres](http://ville.montreal.qc.ca/ecocentres).

## A REMINDER

### GREEN WASTE COLLECTION CONTAINERS

The only accepted containers are paper bags, unwaxed cardboard boxes or any other reusable rigid container.

PLASTIC BAGS WILL NO LONGER BE PICKED-UP.

### ATTENTION

Small branches are no longer accepted in the green waste collection; please do not put them in the containers or in the paper bags. For more information, see page 22.

### NOTES

#### Recyclables

Dates in this table apply to residential sectors and schools. There is no collection of recyclables in businesses and industries.

#### Garbage

For buildings of 9 units or more, schools and businesses, the collection is performed twice a week, on Mondays and Thursdays.

#### Hours

Containers must be placed in front of the building, after 8 p.m. the night before and no later than 7 a.m. the day of pick-up.

#### Legend

Collection of recyclables and garbage West of boulevard Saint-Jean.

Collection of recyclables and garbage East of boulevard Saint-Jean.

Green waste collection.

Household Hazardous Waste collections. See page 22 for hours and locations.

# SUSTAINABLE DEVELOPMENT

## WOODSTOVE AND FIREPLACE CHANGEOUT PROGRAM

In order to improve air quality by reducing wood burning in urban area, the main source of fine particle concentration in the air, the Borough of Pierrefonds-Roxboro has joined the Woodstove and Fireplace Changeout Program. This program is funded by the Ministry of Sustainable Development, Environment and Parks and managed by Équiterre.

Therefore, to encourage Montréal Island residents to get rid of their old stoves and fireplaces, the “Feu Vert” Program offers financial incentive to those who remove or replace conventional wood-burning appliances. For more information, dial 514 871-VERT (8378) or visit the website: feuvert.org.

### Note

A certificate of authorization issued by the Borough of Pierrefonds-Roxboro must be obtained before beginning works.

The grant application must be completed before December 31, 2012.

## REDUCED PRICE COMPOST BINS DISTRIBUTION PROGRAM

This year, the Borough of Pierrefonds-Roxboro has distributed one hundred reduced price domestic compost bins. Borough residents were able to buy an earth machine for the small amount of \$30. An introduction to home composting information session was offered to residents the day of the distribution.

Since 2005, the borough has distributed about 1,000 compost bins.

Having an average composting capacity of 150 kg / year, these composters allowed the recovery and the diversion of 150 tons of organic material from landfills each year.

## RAIN BARRELS DISTRIBUTION

As part of their many environmental initiatives to improve citizens' quality of life, the Borough of Pierrefonds-Roxboro and the éco-quartier Pierrefonds-Roxboro were awarded through Fonds Eco IGA, a \$6,440 grant to carry out an environmental project of distribution of rainwater barrels. Because of this grant, Borough's residents were able to buy a rainwater barrel for the price of \$30.

In 2011, the Borough had distributed 200 rain barrels as part of the same program.

A rain barrel can collect around 6,000 liters of water per year. For the 340 rain barrels distributed in 2011 and 2012, it is a saving of 2,040,000 liters of water per year! The equivalent of 13,600 bathtubs with a capacity of 150 liters each.

## THE GREEN [LINE]

To ask for a pesticide use permit or for questions concerning alternatives to pesticides and ecological gardening, please contact the Green Line at

**514 624-1215**

or at

**infopesticides@  
pierrefonds-roxboro.qc.ca.**

### LICHEN ON TREES... IS IT DANGEROUS?

Many people mistakenly believe the lichen that grows on tree trunks is a form of mold indicating the presence of disease. In fact, the lichen is a composition of an alga and a fungus that uses trees as a growing medium. The lichen is not a parasite. It does not affect tree health in any way. In fact, this is a good indicator of air quality since the lichens do not tolerate the presence of pollution. Therefore it is useless to try to eliminate them.

### THE JAPANESE BEETLE

In addition to the European chafer ravaging lawns for more than ten years, we have also observed an increase of Japanese beetles throughout the Pierrefonds-Roxboro borough. As its name suggests, this is another invasive insect. In addition to spending part of its lives destroying lawns like the white grub of European chafer, the Japanese beetle spends its adult life attacking over 300 species of plants; from roses to linden, passing through vines, perennials and various vegetable plants. This makes it an even more threatening insect.

The life cycle of the Japanese beetle is similar to that of the European chafer, that is, it goes from egg to adult in one year. The larva is present in lawns from mid-August to late May. The flight of adults and the laying of the eggs of females appear around mid-July.

To prevent damage to the lawn, follow the same advice as for the European chafer, that is, to keep the grass long, dense and reduce watering during the spawning period. Control methods are also the same, namely the use of nematodes when ground conditions allow its effectiveness.

Unlike the European chafer, the adults are active during the day. They eat the leaves, flowers and fruits of plants where they proliferate. In the morning, they can be harvested manually or with a commercial vacuum filled with soapy water. You may also plant annual geraniums (*Pelargonium hortorum*) with white flowers to serve as plant traps. Attractive to beetles, yet highly toxic to them.

Pheromone traps as sold in garden centers can be used, but be aware that their use can attract more beetles on neighbouring plants. It would be ideal for the neighbourhood to utilize the same traps at relatively the same time.

Photo: ecolojardiniere.com

The Japanese beetle (*Popillia japonica*) is a beautiful metallic coppery green beetle whose shell is decorated with six tufts of white hair on each side of its abdomen.

### EMERALD ASH BORER: NEW VIDEO CLIPS ONLINE

Ville de Montréal has posted video clips informing you of the insect and the measures taken by the city and boroughs to manage the infestation. You may view the clips by visiting our website: [ville.montreal.qc.ca/agrile](http://ville.montreal.qc.ca/agrile) (available in French only).

## ENVIRONMENT

### THE ECOLOGICAL GARDENING DAY WAS A SUCCESS DESPITE THE RAIN!

Members of the SHEP have generously contributed to the event by distributing free plants while promoting their activities.

On June 2<sup>nd</sup>, you were more than 400 people who braved the weather to pick up free compost, wood chips, flowers and tree seedlings during the Pierrefonds-Roxboro Borough Ecological Gardening Day. Vegetable plants were also given to children initiating them to urban agriculture. Numerous citizens visited the information kiosks inquiring about the management of drinking water, rainwater recovery, recycling, eco-friendly pest control and about the Emerald ash borer.

Two rain barrels and two compost bins were drawn among participants, as well as a water saving kit generously provided by the éco-quartier Pierrefonds-Roxboro.

Employees of the éco-quartier Pierrefonds-Roxboro and members of the Blue Patrol informing citizens on the best environmental practices.

A special thanks to our partners:  
The éco-quartier Pierrefonds-Roxboro and the Société d'horticulture et d'écologie de Pierrefonds, who helped make this day a success.

13, rue du Centre-Commercial  
Roxboro

514 752-0778

Mondays, Tuesdays, Thursdays and Fridays:  
10 a.m. to 3 p.m.

Wednesdays: 1 p.m. to 6 p.m.

Saturdays: Closed (outdoor activities)

Sundays: Closed

### INSPIRING URBAN AGRICULTURE PROJECTS!

Since the beginning of spring 2012, the éco-quartier joined many local organisations and schools to discuss the idea of urban vegetable garden projects.

One of these organisations, Carrefour Cloverdale Multi-Ressources, asked us to educate parents and children on balcony gardens. We gladly took this opportunity to provide these families with information on building their own balcony gardens in their monthly newsletter.

The éco-quartier has also been working with Lalande School in Roxboro, gardening with 3 classes and their teachers in the vegetable garden located behind the éco-quartier's office. An animator was hired to accompany, teach, inform and support these new participants in all the necessary steps to planting a successful garden. During the summer vacations, the green and blue patrollers, our volunteers, and employees from the éco-quartier will maintain the garden until school starts up again at the end of the summer vacations. When students return they will then be able to profit from the harvest of these plants.

Lalande School students while gardening

## HOUSEHOLD HAZARDOUS WASTE COLLECTION (HHW)

Every year, the éco-quartier announces the number of participants and the quantity of HHW collected on the hazardous waste mobile collection days.

On June 9 and 10: 711 families participated in the collection allowing the safe disposal of 15 tons of HHW.

See page 22 for upcoming HHW mobile collection dates in the West Island. Be many to participate!

## SPRING CLEANUP AT RAPIDES-DU-CHEVAL-BLANC PARK REPORT

The éco-quartier has participated once again in the spring cleanup campaign organized by the Ville de Montréal as part of the operationmontreal.net Program.

This cleanup operation at the Rapides-du-Cheval-Blanc Park brought out 30 volunteering families, picking-up over 20 bags of garbage.

**Thank you to all of our numerous volunteers without whom we would not be able to have so many diverse and successful activities.**

The éco-quartier in collaboration with Harfang-des-Neiges School and the Maison des jeunes À-Ma-Baie, created a vegetable garden thanks to financial and technical support from the Borough of Pierrefonds-Roxboro, the Conseil régional de l'environnement de Montréal (CRE), the Marguerite-Bourgeois School Board as well as other private partners.

Teenagers from the Maison des jeunes À-Ma-Baie are taking care of the maintenance and harvest of the garden at Harfang-des-Neiges throughout the summer. The students will continue the project when they return to class in September.

The éco-quartier's help has also been requested by the West Island YMCA to aid their young members in the creation of their vegetable garden.

Our article about urban agriculture, published in the May 2012 edition of our municipal magazine generated a lot of interest among citizens. We gave them instructions and advice, and at the same time recruited three new volunteers to garden with us at the éco-quartier and at Harfang-des-Neiges School.

We are currently putting together a list of Pierrefonds-Roxboro residents interested in urban agriculture; they will become our future urban gardeners.

# SOCIAL DEVELOPMENT
