FROM THE \$531 MILLION INJECTED BY MONTREAL TO REPAIR AND IMPROVE ITS INFRASTRUCTURES OF WATER AND ROADWAY SYSTEM, \$16 MILLION WILL BE INVESTED IN PIERREFONDS-ROXBORO

(Pierrefonds-Roxboro, April 8, 2016) – On April 6, Ville de Montréal revealed its infrastructure renovation program for the year. This investment amounts to \$531 M for the whole city and includes an amount of \$16 M which will be used to repair and improve the infrastructures in Pierrefonds-Roxboro.

The streets aimed by these investments on our territory are:

Laurin (south of boulevard Gouin Ouest), Hortie (south of boulevard Gouin Ouest), Olympia, Marceau, 10e Avenue, 11e Avenue, 12e Rue, 16e Avenue, 18e Avenue, 10e Rue, 13e Rue, Huntington (between the avenue de Versailles and rue Lombardy), Balmoral, Lombardy, d'Alma, Laurier, Dalhousie, Sherwood, Berry, Camirand, Bourassa, Hudson, Fortin, Devlin, Éthier, Dugas, Grilli, Myrand, Troy, Elgin, Forbes, Lirette, Esther-Blondin, Arthur-Hooper, Snyder, Bénêche, Nuckle, des Lys, Rousson, Pominville, Hardouin, Poiriau, Clermont and boulevard Gouin between the 10402, rue du Belvédère and the 3e Avenue Nord, between the 6e Avenue and the 8e Avenue and between the streets Emile, Raymond, Romeo, David, Simone, Andre, Albert and Marceau.

The City center will conduct works on the following streets and boulevards during the 2016 season:

Boulevard Gouin Ouest from Pitfield to Orléans, boulevard Saint-Charles from de Pierrefonds to the limits of Ste-Geneviève, rue du Château-Pierrefonds from de Pierrefonds to Meloche, boulevard de Pierrefonds from boulevard des Sources to Gouin, rue Perron from boulevard de Pierrefonds to Richer, rue Fredmir from d'Aragon to Monk.

This work of the Center City represents between \$5 M and \$10 M.

“This substantial financing of the Ville de Montréal is excellent news. It enables us to go forward in our improvement projects. While working in harmony with the city, we carry coherent actions and can offer the citizens safe and efficient infrastructures. These construction sites of rehabilitation of the water network, the paving or repair of the streets which will be carried out on our territory will contribute to improve quality of life of the citizens of Pierrefonds-Roxboro in their daily life. We are in constant action and these achievements reaffirm my commitments towards the citizens of Pierrefonds-Roxboro within the framework of the 2015-2018 Strategic Plan.” to state Mr Dimitrios (Jim) Beis, mayor of the borough of Pierrefonds-Roxboro and member of the Montréal executive committee responsible procurement, sports and recreation as well as communities of diverse origins.

Work on the territory will be the object of information campaigns on the Web page at ville.montreal.qc.ca/pierrefonds-roxboro and on all the communication platforms of the borough and the city (Info-Travaux site). The citizens living on these streets will receive also personalized communications before the beginning of work in their sector. The period of work will extend from May until the end of the autumn.
