Introduction

Part I

City-wide issues

Chapter 1

Planning approach

5

Chapter 2

Planning goals

2.1	High-quality, diversified and complete living environments	11
	Objective 1	13
	Objective 2	25
2.2	Structuring, efficient transportation networks fully integrated into the urban fabric	33
	Objective 3	35
	Objective 4	61
2.3	A prestigious, convivial and inhabited Centre	67
	Objective 5	71
	Objective 6	79
	Objective 7	87
2.4	Dynamic, accessible and diversified employment areas	95
	Objective 8	101
	Objective 9	107
	Objective 10	111
2.5	High-quality architecture and urban landscapes	113
	Objective 11	115
	Objective 12	131
	Objective 13	137
	Objective 14	143
2.6	An enhanced architectural, archaeological and natural heritage	149
	Objective 15	151
	Objective 16	165
2.7	A healthy environment	171
	Objective 17	173
	Objective 18	185
	Objective 19	189

Chapter 3

Implementation of the Master Plan

195

3.1	Parameters related to land use designation and building density	196
3.2	Capital and program investments strategy	205
3.3	The Plan's implementation partners	209

Chapter 4

Detailed Planning Areas	213
4.1 Airport surroundings	216
4.2 CP tracks surroundings	218
4.3 Angrignon	220
4.4 Ville-Marie Expressway	222
4.5 Crémazie Boulevard	224
4.6 Pie-IX Boulevard	226
4.7 Bourget / Forget	228
4.8 Lachine Canal	230
4.8.1 Griffintown	234
4.8.2 East Lachine	236
4.9 Côte-de-Liesse Road	238
4.10 Central Business District	240
4.11 Olympic Complex and Village	242
4.12 Louis-H.-La Fontaine corridor	244
4.13 Décarie / Cavendish / Jean-Talon West	246
4.14 Galeries d'Anjou / Jean-Talon East	248
4.15 Havre de Montréal	250
4.16 L'Acadie / Chabanel	254
4.17 L'Anse-à-l'Orme	256
4.18 Laurentien / Lachapelle	258
4.19 Meadowbrook	260
4.20 Mount Royal	262
4.21 Notre-Dame East	264
4.22 Quartier des spectacles	266
4.23 Indoor pedestrian network	268
4.24 Glen and Turcot sites	271
