Explanatory notes:	Notes:	Legend:
<p>Positions *: The abbreviation CC refers to a position remunerated under city council by-law 02-039. The abbreviation AC refers to a position remunerated under urban agglomeration council by-law RCG 06-053. The abbreviation BC indicates a position remunerated under a borough council by-law. The city pays the remuneration in all three cases. The abbreviation CMM refers to a position remunerated under Communauté métropolitaine de Montréal by-law 2006-37 and paid by that agency. The abbreviation STM indicates a position remunerated under Société de transport de Montréal by-law R-076 and paid by that agency.</p> <p>Total remuneration **: In calculating total remuneration, we consider the maximum remuneration the elected official could receive for each position in fiscal 2009. However, the remuneration actually paid in fiscal 2009 might be less, particularly due to penalties resulting from unjustified absences or because the total number of attendances at meetings is less than the maximum allowed, where remuneration is based on such attendance. In addition, an elected official whose mandate ends before the end of fiscal 2009 will have his or her remuneration adjusted proportionately.</p> <p>Expense allowance***: The law provides that a council member is entitled to an expense allowance equal to 50% of his or her remuneration up to a maximum for fiscal 2009 of \$14 584. All allowances set out in this table are paid by city.</p> <p>In all cases, the payment of remuneration and expense allowances is in accordance with the applicable by-laws and the provisions of the Act respecting the Remuneration of Elected Municipal Officers (R.S.Q., chapter T-11.001).</p>	<ol style="list-style-type: none"> 1 By-law RCG 06-053 sets out a remuneration of \$762/session, up to \$15 240/year, for the chairman of a standing committee of the urban agglomeration council. The amount for the vice-chairman of such a committee is \$508/session, up to \$10 160/year, while for a standing committee member it is \$254 per session, up to \$5 080/year. 2 CMM by-law 2006-37 provides that the chairman, vice-chairman and member of a CMM standing committee receive annual remuneration of \$10 000, \$7 500 and \$2 500, respectively. These functions also provide an entitlement of \$500/meeting, up to \$5 000/year. 3 STM by-law R-076 provides that members of the administration who sit on an STM commission or committee receive an attendance allowance of \$175/meeting, up to ten meetings per year per committee or per commission. The attendance allowance is \$300/meeting for a member chairing such a committee or commission. 4 Remuneration for this position was reduced in accordance with the maximum permitted by law for the class of positions held by the member. 5 Under CMM by-law 2006-37, a member who fills more than one special position is only entitled to one additional remuneration, namely that of the position providing the highest such remuneration. 6 Article 3 of the By-law concerning the remuneration of council members (02-039) provides that the total remuneration to which is entitled a member who holds more than one position as chairman, vice-chairman or council committee member may not exceed \$15 000 (as indexed). 7 The chairman of the board of directors of the STM is ex officio member of all STM committees and commissions. As such, and in accordance with by-law R-076, the chairman is entitled to receive an attendance allowance of \$175/meeting, up to ten meetings per year per committee or per commission. Any such remuneration would be in addition to the total remuneration indicated for this member. 	<p>AC: Agglomeration Council BC: Borough Council CACMM: Commission de l'aménagement (Communauté métropolitaine de Montréal) CAPA: Comité des arts et du patrimoine artistique (Société de transport de Montréal) CASTM: Board of directors (conseil d'administration) of the Société de transport de Montréal CC: City Council CCU: Planning advisory committee (comité consultatif d'urbanisme) CCVD: Commission de la culture, des communications et de la vie démocratique (Verdun Borough Council) CDCQMV: Commission sur le développement culturel et la qualité du milieu de vie (City Council) CDE: Commission sur le développement économique (Agglomeration Council) CDEEMF: Commission du développement économique, des équipements métropolitains et des finances (Communauté métropolitaine de Montréal) CENV: Commission de l'environnement (Communauté métropolitaine de Montréal) CENVI: Commission de l'environnement (Verdun Borough Council) CETI: Commission sur l'environnement, le transport et les infrastructures (Agglomeration Council) CF: Comité finances (Société de transport de Montréal) CFA: Commission sur les finances et l'administration (Agglomeration Council) CFSACH: Commission sur les finances, les services administratifs et le capital humain (City Council) CGE: Comité gouvernance et éthique (Société de transport de Montréal) CGEIA: Commission sur les grands équipements et les activités d'intérêt d'agglomération (Agglomeration Council) CLS: Commission du logement social (Communauté métropolitaine de Montréal) CMAPME: Comité maintien des actifs, projets majeurs et environnement (Société de transport de Montréal) CMM: Communauté métropolitaine de Montréal CMVTAUTC: Commission sur la mise en valeur du territoire, sur l'aménagement urbain et sur le transport collectif (City Council) CO: Comité opérationnel (Société de transport de Montréal) CPC: Commission de la présidence du conseil (City Council) CRH: Comité ressources humaines (Société de transport de Montréal) CSAC: Comité service à la clientèle (Société de transport de Montréal) CSC: Commission sur les services aux citoyens (City Council) CSP: Commission de la sécurité publique (Agglomeration Council) CSPV: Commission de la sécurité publique (Verdun Borough Council) CSL: Commission des sports et des loisirs (Verdun Borough Council) CT: Commission du transport (Communauté métropolitaine de Montréal) CTGIE: Commission sur le transport, la gestion des infrastructures et l'environnement (City Council) CTPC: Commission des travaux publics et de la circulation (Verdun Borough Council) CUHDC: Commission de l'urbanisme, de l'habitation et du développement communautaire (Verdun Borough Council) CV: Comité de vérification (Société de transport de Montréal) EC: Executive Committee – Ville de Montréal STM: Société de transport de Montréal</p>
