

Number	Project Name	Location	Project Type	Priority	Phase	Year	Start	End	Duration	Value	Impact	Notes
1001	St. John's Hospital	St. John's	Healthcare	High	Phase 1	2023	2023	2024	18 months	\$150M	Improved patient care, reduced wait times.	Phase 1 includes new operating rooms and diagnostic imaging.
1002	Maritime Centre	St. John's	Education	Medium	Phase 2	2023	2023	2024	12 months	\$80M	Enhanced learning facilities, modernized classrooms.	Phase 2 focuses on upgrading IT infrastructure and library.
1003	Marine Science Park	St. John's	Science	High	Phase 1	2023	2023	2024	15 months	\$120M	Advanced marine research, public education.	Phase 1 includes a new aquarium and research facility.
1004	Le Tour Centre	St. John's	Community	Medium	Phase 1	2023	2023	2024	10 months	\$60M	Recreational facilities, community services.	Phase 1 includes a new sports complex and community center.
1005	St. John's Hospital	St. John's	Healthcare	High	Phase 2	2023	2023	2024	18 months	\$150M	Improved patient care, reduced wait times.	Phase 2 includes new patient rooms and administrative buildings.
1006	Maritime Centre	St. John's	Education	Medium	Phase 3	2023	2023	2024	12 months	\$80M	Enhanced learning facilities, modernized classrooms.	Phase 3 includes new laboratories and specialized classrooms.
1007	Marine Science Park	St. John's	Science	High	Phase 2	2023	2023	2024	15 months	\$120M	Advanced marine research, public education.	Phase 2 includes a new research vessel and observation deck.
1008	Le Tour Centre	St. John's	Community	Medium	Phase 2	2023	2023	2024	10 months	\$60M	Recreational facilities, community services.	Phase 2 includes a new outdoor arena and community center.
1009	St. John's Hospital	St. John's	Healthcare	High	Phase 3	2023	2023	2024	18 months	\$150M	Improved patient care, reduced wait times.	Phase 3 includes new diagnostic imaging and laboratory.
1010	Maritime Centre	St. John's	Education	Medium	Phase 4	2023	2023	2024	12 months	\$80M	Enhanced learning facilities, modernized classrooms.	Phase 4 includes new student services and administrative buildings.
1011	Marine Science Park	St. John's	Science	High	Phase 3	2023	2023	2024	15 months	\$120M	Advanced marine research, public education.	Phase 3 includes a new research facility and observation deck.
1012	Le Tour Centre	St. John's	Community	Medium	Phase 3	2023	2023	2024	10 months	\$60M	Recreational facilities, community services.	Phase 3 includes a new outdoor arena and community center.
1013	St. John's Hospital	St. John's	Healthcare	High	Phase 4	2023	2023	2024	18 months	\$150M	Improved patient care, reduced wait times.	Phase 4 includes new patient rooms and administrative buildings.
1014	Maritime Centre	St. John's	Education	Medium	Phase 5	2023	2023	2024	12 months	\$80M	Enhanced learning facilities, modernized classrooms.	Phase 5 includes new laboratories and specialized classrooms.
1015	Marine Science Park	St. John's	Science	High	Phase 4	2023	2023	2024	15 months	\$120M	Advanced marine research, public education.	Phase 4 includes a new research vessel and observation deck.
1016	Le Tour Centre	St. John's	Community	Medium	Phase 4	2023	2023	2024	10 months	\$60M	Recreational facilities, community services.	Phase 4 includes a new outdoor arena and community center.
1017	St. John's Hospital	St. John's	Healthcare	High	Phase 5	2023	2023	2024	18 months	\$150M	Improved patient care, reduced wait times.	Phase 5 includes new diagnostic imaging and laboratory.
1018	Maritime Centre	St. John's	Education	Medium	Phase 6	2023	2023	2024	12 months	\$80M	Enhanced learning facilities, modernized classrooms.	Phase 6 includes new student services and administrative buildings.
1019	Marine Science Park	St. John's	Science	High	Phase 5	2023	2023	2024	15 months	\$120M	Advanced marine research, public education.	Phase 5 includes a new research facility and observation deck.
1020	Le Tour Centre	St. John's	Community	Medium	Phase 5	2023	2023	2024	10 months	\$60M	Recreational facilities, community services.	Phase 5 includes a new outdoor arena and community center.
