THE MAISON DE LA CULTURE DE CÔTE-DES-NEIGES  
SO MUCH MORE THAN A VENUE

THE DE LA COUR À LA SCÈNE CULTURAL COMMITTEE  
MARKS ITS 20<sup>TH</sup> ANNIVERSARY!

The *De la cour à la scène* committee has been introducing children to culture for close to 20 years, in partnership with la Maison Théâtre. The committee is made up of representatives from elementary schools in the borough and the two maisons de la culture. This year, some 7,000 school children will attend the following shows: *Le Bain* (theatre), presented by Théâtre Bouches Décousues; *Tendre* (contemporary dance) by Créations Estelle Clareton; *Ma mère est un poisson rouge* (theatre), presented by Théâtre de l'Avant-Pays; and *Video Phase* (video-music). Before each show, children will benefit from a preparatory activity intended to promote a greater appreciation for the artistic experience.

CULTURAL MEDIATION

Each year, various mediation projects allow us to foster a special connection between the public and the arts and culture. This year, the following projects will be presented for the benefit of families and daycare centres in the neighbourhood, as well as clientele in elementary and high school, francization groups and day camps: *BIOTOPE*, *La galerie d'à côté*, *La Voie de Côte-des-Neiges* and *Comptines et berceuses en courtepoin*.

RESIDENCY

The Maison de la culture de Côte-des-Neiges supports numerous Montréal artists through its incubation program. In 2016, the following companies will benefit from creative residencies: *Cabane Théâtre*, *DynamO Théâtre*, *Productions Fila 13* – Lina Cruz, *Théâtre Puzzle* and *Les Voyageurs Immobiles*, *Cie. de création*. Also benefitting from residencies will be artists Adam Kinner, Georges Audet and Renée Robitaille.
