CHANGES TO COLLECTION DAYS ACROSS BOROUGH TERRITORY RENEWAL OF CONTRACTS

In order to ensure quality service at the best possible cost, the Sud-Ouest Borough will change the collection schedules for food waste (compost) and heavy objects (large objects, household appliances, furniture as well as construction, renovation and demolition waste) starting on April 1, 2017. The collection of recyclable materials and household garbage will also change for 20% of households.

See the map on the reverse side to consult the new collection days in your sector, effective as of April 1.
