SUMMER CELEBRATIONS WITH A 125th ANNIVERSARY FLAIR

On June 16, Parc Gohier was the venue for the launch of the 2018 Saint-Laurent Summer Celebrations. Seasonal festivities and activities, including a puppet show for children called *Histoire de pomme N° 26*, brightened the afternoon to the great joy of the attendees. Saint-Laurent families were then spoiled over the entire summer with a highly varied program designed to celebrate the 125th Anniversary of the incorporation of Saint-Laurent in style. Music, dance, theatre, cinema and more brought the parks to life under the sun, not to mention the Saint-Laurent Celebration, during which Parc Beaudet shone on August 11 with electrifying musical performances and the participation of Saint-Laurent organizations and restaurants.

5th ANNIVERSARY OF THE BIBLIOTHÈQUE DU BOISÉ

Since it opened its doors in 2013, the Bibliothèque du Boisé has welcomed more than 2 million visitors to its modern, resplendent infrastructures which have garnered nearly 20 prestigious awards. More than just pleasant to look at, first and foremost the library provides a user-friendly, welcoming setting which is inclusive, and which Saint-Laurent's administration wanted to offer the community.

Five years later, Saint-Laurent can claim "mission accomplished" because over the years, the library has stood out for its innovative programs and services. Here we think, for example, of the loan of musical instruments, the hosting of a resident author and illustrator, Yayo, and the creation of a collection dedicated to sustainable development. The library also houses the Centre d'exposition Lethbridge, which thus far has featured more than 20 free exhibitions and cultural experiences.

To celebrate this anniversary, Saint-Laurent invites the entire community to a day filled with activities on **Saturday, September 15, from 10 a.m. to 5 p.m.!**

MESSAGE FROM THE MAYOR

Dear fellow citizens
of Saint-Laurent,

As you will see when you read the central pages of this publication, most of the events held during our **Saint-Laurent Summer Celebrations** unfolded under a radiant sun. Over the entire summer, our parks transformed into gathering places that came to life with the sounds of music and children’s laughter. In keeping with the **125th Anniversary** theme, our Saint-Laurent Celebration in Parc Beaudet was a resounding success with shows by trending artists and the collaboration of local organizations, and for the first time ever, several Saint-Laurent restaurants!

Fall promises to be just as vibrant with the **5th Anniversary of the Bibliothèque du Boisé**, which you are all invited to attend on September 15, and the launch of our fall cultural program on October 5 at the Centre des loisirs.

Our popular **green outings** will also be back thanks to our long-standing alliances with VertCité, the Insectarium and the Zoo Ecomuseum, among others.

Also supporting environmental awareness, **PARK(ing) Day**, an international event, will simultaneously take place in three public venues on September 21, and a **free compost and shrub distribution** will be hosted by the Municipal Workshops on October 6.

Along other lines, Parc Beaudet will be the venue for a gathering to celebrate **International Day of Peace** on September 20. This is a wonderful event that gives a voice to the students attending Saint-Laurent’s schools. Furthermore, Saint-Laurent will actively participate in the **Journées de la culture** on September 28, 29 and 30 by featuring, for example, a long-anticipated Chinese lantern exhibition at the Bibliothèque du Boisé.

These are just a few examples of what awaits! Our supply of cultural entertainment as well as sports and social activities has become so comprehensive in recent years that there’s something for everyone. Follow us on social media and consult our Culture and Libraries and Sports, Leisure and Community Life publications to make sure you don’t miss anything!!

SAINT-LAURENT RESIDENTS VISIT LETHBRIDGE

From July 4 to 11, six Saint-Laurent residents travelled to the City of Lethbridge, Alberta for the 51st edition of the exchange trip between the two communities. The visitors from Saint-Laurent, accompanied on the trip by the Borough Councillor for Côte-de-Liesse District, Jacques Cohen, had the opportunity to discover the breathtaking attractions of Western Canada, including the Waterton Lakes National Park. Since 1967, the friendship between the two municipal administrations has continued to strengthen, and over the years, some 600 citizens from the two communities have participated in the annual exchange trip.

VIGILANCE AROUND SCHOOLS

As the new school year approaches, children's safety is a priority for the Service de police de la Ville de Montréal's Poste de quartier 7. With this in mind, the police department would like to remind you to **comply with speed limits while being vigilant around school buses**.

Officers from PDQ 7 will be present around schools and school patrols will ensure that children safely cross the busiest intersections.

By being aware of their surroundings and adopting a preventive approach to driving, motorists will improve safety for everyone.

Have a good back-to-school season!

CULTURAL PROGRAM LAUNCH

To highlight its varied, first-rate program that is accessible to all, the Culture team invites the public to attend its launch on **Friday, October 5**.

The event will take place at the **Centre des loisirs** from **6:30 p.m.** Attendees will get a glimpse of the shows featured in the singing, concerts, theatre, dance and cinema components of the program. The event will culminate at 7:30 p.m. with a show by **Élage Diouf**, a Senegalese-born singer-songwriter and performer. A limited number of passes to the launch will be available from September 5, 2018 at the Centre loisirs, the Sports Complex, the two libraries, and on the following website: <https://st-laurent.tuxedobillet.com/>

Culture and libraries

Anyone interested can peruse the program by consulting the Fall 2018 edition of the Culture and Libraries publication, available in municipal buildings at the end of August as well as online in the Publications section of the Borough website at ville.montreal.qc.ca/saint-laurent.

INTERNATIONAL DAY OF PEACE

The annual ceremony to commemorate International Day of Peace introduced by the United Nations will take place on **Thursday, September 20, 2018, from 12 to 12:45 p.m. at Parc Beaudet**, also called the "Peace Park". Students from Saint-Laurent's schools are invited to participate in this gathering, which is specially intended for them. Testimonials, songs and music will enable them to better understand the role they can play to preserve peace in their community.

This celebration has been organized by Saint-Laurent since 1992 in collaboration with the Comité interculturel du Comité des organismes sociaux de Saint-Laurent (COSSL) and the Communauté bahá'íe de Saint-Laurent.

THREE NEW UNIVERSALLY-ACCESSIBLE COMMUNITY GARDENS

The inauguration of one of the first three universally-accessible community gardens on Saint-Laurent territory—in **Parc Roman-Zytynsky** in the Chameran sector—took place on June 28. The other two new gardens are located in **Bourbonnière** and **Robert-Mitchell parks**. Totalling 72 bins, the three parks targeted for these developments are located in areas where there is a high concentration of 65-year-olds and over. Management and activities at these gardens have been placed in the hands of the VertCité organization, which also took part in proposing ideas for this project, together with the RUI Chameran-Lebeau.

Each garden includes 24 raised planters (4 of which are specially designed for people with limited mobility), plus a garden shed and two picnic tables, all universally-accessible, as well as a composting area.

"We succeeded in setting up this wonderful project thanks to funding from the Age-Friendly Municipalities program and Accessibilité universelle - Montréal 2016-2018, whose mission is to improve the well-being of seniors and people with functional limitations on Montréal territory. With these three universally-accessible community gardens, Saint-Laurent is continuing its actions aimed at improving the quality of life of seniors and increasing accessibility to municipal infrastructures," stated the Mayor of Saint-Laurent, Alan DeSousa.

The Mayor of Saint-Laurent, **Alan DeSousa**, attended the event with the City Councillor for Côte-de-Liesse District, **Francesco Miele**, and the City Councillor for Norman-McLaren District, **Aref Salem**, along with Chameran residents, representatives of the RUI Chameran-Lebeau and VertCité, as well as Borough employees.

CIRCUIT VÉLO 2018: A WONDERFUL EXPERIENCE FOR SAINT-LAURENT TEENS

Like last year, nearly forty 12-17-year-olds participated in the Circuit vélo cycling tour, organized by the Saint-Laurent day camp program. This event took place between the Centre des loisirs and the visitors' centre at Île-de-la-Visitation nature park.

The starting signal was given on Wednesday, August 8, 2018 by the Borough's elected officials. The cyclists were organized in a number of groups, with about 10 members in every group, and each one supervised by at least two adults. Each group left 3-minute intervals apart and the journey, almost entirely along bicycle paths, was scheduled to last about 5 hours. The activity was supervised by a coordinator and followed by the Urban Security Patrol as well as a truck specialized in bicycle repair and maintenance.

A wonderful experience to introduce these future adults to sports and group living and also to promote active transportation!

First row: The Mayor of Saint-Laurent, **Alan DeSousa** (in the middle), then from the right, **Francesco Miele**, the City Councillor for Côte-de-Liesse District, and **Aref Salem**, the City Councillor for Norman-McLaren District. Second row, from the left: **Jacques Cohen**, the Borough Councillor for Côte-de-Liesse District, surrounded by the teen participants and the accompanying adults.

DRINKING WATER SAMPLING CAMPAIGN

The Québec government's *Regulation respecting the quality of drinking water* requires that Ville de Montréal annually check the drinking water in its distribution systems by taking samples of the water from the homes of consenting residents. The samples are then analysed in the laboratory and the findings are sent to the Québec government's *Ministère de l'Environnement*. A report will be published and the residents participating in this sampling operation will be mailed the results in the fall.

Until September 28, a representative of Ville de Montréal is taking samples of drinking water directly from the tap of residents' homes. Jose Luis Orozco, with an official identity card in hand, a City vehicle and a City jersey, is visiting homes to take these samples (a visit of approximately 15 minutes in all).

He never offers products. Beware of certain fraudulent companies sometimes claiming to be from Ville de Montreal in order to sell their water filtration systems. Residents who are faced with such a situation are urged to report it to the *Office de la protection du consommateur* at 514 253-6556.

VERNISSAGE DE MOBILISATIONS 03

Le Centre d'exposition Lethbridge a constitué le dernier arrêt de la tournée de l'exposition *Mobilisation 03*. Ce troisième volet du projet Mobilisations du Mouvement art mobile présentait jusqu'au 26 août les œuvres de seize artistes professionnels québécois ayant comme dénominateur commun l'utilisation d'appareils mobiles dans leur processus de création. Tenu le 7 juillet, le vernissage réunissait des membres du conseil de Saint-Laurent et du collectif d'artistes Mouvement Art mobile ainsi que des employés du Centre d'exposition Lethbridge. Hébergé au sein de la Bibliothèque du Boisé, le centre propose gratuitement tout au long de l'année des œuvres d'artistes professionnels d'ici et d'ailleurs, accompagnées de multiples activités de découverte et d'approfondissement pour tous les groupes d'âge.

MOBILISATIONS 03 VERNISSAGE

The Centre d'exposition Lethbridge was the last stop on the Mobilisation 03 exhibition tour. On display until August 26, this third phase of the Mobilisations project by the Mouvement art mobile featured the works of sixteen professional Quebecois artists whose common denominator is the use of mobile devices in their creation processes. Held on July 7, the vernissage brought together members of Saint-Laurent Council and the Mouvement Art mobile artist group, as well as employees of the Centre d'exposition Lethbridge. Located inside the Bibliothèque du Boisé, the Centre regularly features the works of professional artists from here and abroad accompanied by myriad discovery and enlightenment activities for all ages, free of charge.
