PIERREFONDS-ROXBORO ART CONTEST

NEW IN 2019!

For the past 34 years, the borough's Art Contest has offered visual artists from the Island of Montréal the opportunity to promote their work and creative universes.

This year, two new categories have been added to the existing ones:

Digital art

Digital art covers everything that can be generated by computer, be it moving images or stills. By extension, it also includes printed-out images of digital creations, digital photos—unedited or retouched—, as well as 3D prints.

Recycled art

The practice brings unused goods back to life by turning them into artwork.

Back this year:

- Watercolour
- Gouache painting, drawing
- Pastel
- Mixed media
