

Notice of work

Dorval drinking water plant Re-roofing

**Hot bitumen (asphalt) application
Between November 1 and 19, 2021**

Information

Nature of the work

- The work underway at Dorval's drinking water plant requires that part of the roof be repaired.
- Between November 1 and 19, **two work activities will be carried out for about three (3) consecutive days each** to apply the hot bitumen (asphalt).
- This technique enables roof components to adhere and waterproofs them.

Undesirable effects

- Strong odour from the hot bitumen (asphalt).
- Possibility of noise and dust.

Note

This work may be rescheduled or extended due to weather conditions or other constraints.

The work teams will be on site Monday to Friday, from 7 a.m. to 4 p.m.
