

# Notice of work

## Work on Rue Saint-Antoine Ouest Winter break

**Starting: December 16**

**Resuming: March 2022**

### Information

#### Traffic

- During the winter break, all obstructions and parking restrictions will be lifted on Rue Saint-Antoine Ouest and at various intersections, between Avenue Atwater and Rue Rose-de-Lima.
- Sidewalks will also be accessible.

#### Resumption of work

- We have been forced to extend the work due to constraints encountered during the project. Work will resume in March and end in early summer 2022.
- When work resumes, Rue Saint-Antoine will be obstructed on the south side, between Avenue Greene and Rue Rose-de-Lima. One westbound lane will be open.
- Full weekend closures will also be required.
- Notices will be distributed to inform you about obstructions and impacts before the work resumes and during construction.

#### Work planned for 2022

- Replacement of water mains and installation of valve chambers on the primary water supply system.
