

Notice of work

Chanteclerc work site **Work planned west of Boulevard des Sources**

Start: Week of August 1
End: October 2022

Information

Rehabilitation of a water main

- The rehabilitation work on a drinking water main under Avenue Chanteclerc requires that a portion of the park west of Boulevard des Sources be excavated.
- This work will make it possible to rehabilitate the drinking water main under Boulevard des Sources without obstructing all traffic lanes.

Impacts on your daily life

Traffic

- Closure of one southbound lane on Boulevard des Sources, between Avenue Tudor and Croissant Dubord.
- The pedestrian walkway between Avenue de Mount Pleasant and Boulevard des Sources will remain open, but there will be a slight detour. Please heed the signs.

Undesirable effects

- The work will cause noise, dust and vibrations.

Public transit

- Service will be maintained, but bus stop locations, schedules and routes may change. Information: STM-INFO (514-786-4636) or www.stm.info/en.
