

Notice of work

Redevelopment of Rue Saint-Antoine Ouest Holiday break

December 23, 2022 to January 15, 2023

Information

Traffic

- During the holiday break, all obstructions and parking restrictions will be lifted on Rue Saint-Antoine Ouest and at various intersections, between Avenue Atwater and Avenue Greene.
- Sidewalks will also be accessible.

Resumption of work January 16, 2023

- When work resumes, Rue Saint-Antoine will be obstructed on the south side, between Avenue Walker and Rue Rose-de-Lima. Two lanes will be open heading westbound.
- Obstructions at various intersections on Rue Saint-Antoine Street are planned in the work zone.
- Notices will be distributed to inform you about the progress of the work, obstructions and other impacts during the project.

Work planned for 2023

- January to March: Commission des services électriques de Montréal (CSEM) work between Avenue Walker and Rue Rose-de-Lima
- March–April: Installation of street lighting bases and ducts between Avenue Atwater and Rue Rose-de-Lima
- Spring to fall: Roadwork between Avenue Atwater and Rue Irène

Happy holidays from all the work teams!

- [illegible]
