BOROUGH COUNCIL MEETINGS

Council room

Borough Hall
13665, boulevard de Pierrefonds
Pierrefonds

91.5 FM

WEBCAST

ville.montreal.qc.ca/pierrefonds-roxboro

To ensure that the question period during Borough Council meetings proceeds smoothly, residents who wish to address council members are asked to register with the Borough Secretary before the meeting.

The Borough Secretary will be in the Council room as of 6:45 p.m. to record your name and address, and the nature of your question. During the question period, you will be asked to address your question to the Mayor without preamble.

Note

No photographic cameras, movie cameras, recorders and similar equipment, except those used by the Secretary, may be used without the Mayor's authorization.
(By-law CA29 0046).

Dates for **Urban Planning Advisory Committee meetings** will be announced on the Borough's electronic billboards and website.

CITY COUNCIL MEETINGS

Montréal City Hall

275, rue Notre-Dame Est

Because of the electoral period, no date has been set for the next City and Borough Councils meeting. Please check publicity and our website.

CITIZENS' SATURDAYS

Citizens' Saturdays are held monthly. They are an ideal opportunity for Pierrefonds-Roxboro residents to meet elected officials and discuss matters of importance to them in an informal and friendly setting.

The date, time and name of the Councillor will be announced on the electronic billboards, the Borough's website and Twitter account, and via the Borough's mailing list.

IMPORTANT NOTICE

Municipal buildings will be closed on

MONDAY, OCTOBER 9
for Thanksgiving and from
FRIDAY, DECEMBER 22 TO
TUESDAY, JANUARY 2 INCLUSIVELY
for the Holiday period.

MESSAGE FROM THE BOROUGH MAYOR

The Splendor of Pierrefonds-Roxboro

Recently, I was asked what was my favourite place in the City of Montreal? Without hesitation I replied: my borough, for the beauty of the area. Our borough has incomparable wealth with a beautiful urban forest, many green spaces that we continue to enhance, and our nature parks.

Throughout the year, the Major Parks and Greenspace teams from Ville de Montréal and the Borough's Public Works team strive to preserve and develop urban forestry, including planting numerous new trees of different species. Further expanding the splendor of the Borough is the work of the horticulture department, which year after year designs superb gardens to beautify public spaces in the Borough.

In a spirit of harmony for the beautification of our borough, as well as for the development of public areas, several borough parks have undergone revitalization, either with the addition of new sports structures or by adding or changing park furniture, to provide attractive and stimulating sports and leisure spaces.

Over the summer, several festive events for Ville de Montréal's 375th anniversary have allowed the environmental and cultural richness of Pierrefonds-Roxboro to shine. As well, the Borough's Culture, Sports, Recreation and Social Development team, in cooperation with the Pierrefonds Community Project, Cloverdale Multi-Ressources, and the Île-Bizard and Sainte-Geneviève Historical Society, have let us delve into the history, charm and heritage of the Pierrefonds-Roxboro borough.

As fall begins, the children have already returned to school; many walk there. I am once again asking motorists traveling near schools to take a few extra minutes to get to their destination. It is for the children that we constantly change and improve, it is for them that we pave the way and it is they who are the leitmotif of our days. It is for them that we work together to develop the splendor of Pierrefonds-Roxboro.

On behalf of the members of Council, I warmly thank the management team and staff of the Pierrefonds-Roxboro borough for their commitment and dedication, ensuring that our borough continues its path towards harmonious development.

Head of the Sports, Leisure and Sports Facilities
Division

THE MAYOR'S BLOOD DRIVE

Organized under the honorary chairmanship of Borough Mayor, it offers Borough residents the opportunity to donate blood here in Pierrefonds-Roxboro. In 2016, 90 residents donated blood. This year our goal is 95 donations.

DATE AND HOURS

Thursday, November 30, from 1:30 p.m. to 8 p.m.

LOCATION

Marcel Morin Community Centre
14068, boulevard Gouin Ouest

REMINDER In Québec, any healthy individual 18-year-old and up who meets Héma-Québec's eligibility criteria can give blood every 56 days, or six times a year. For more information, please visit this website: hema-quebec.qc.ca.

ARE YOU SATISFIED WITH OUR SERVICES?

Give us your comments!

Constantly improving our services is one of our borough's priorities. It is therefore important that you fill out the questionnaire on the quality of our services, available at the Citizen's Office or on the Home page of the Borough's website.

Do you have a question?

Send us an email. It is an efficient way to communicate with us.

MAYOR'S REPORT ON THE FINANCIAL SITUATION OF THE BOROUGH OF PIERREFONDS-ROXBORO

It is with pride that I am tabling the annual report on the financial situation of the borough for the year 2016, the outlook for the current year and the general orientation for the 2018 budget, in compliance with section 144.7 of the *Charter of Ville de Montréal*. I am also attaching the following documents:

- List of all contracts involving an expenditure of more than \$25,000;
- List of all contracts involving an expenditure of over \$2,000, totalling over \$25,000 for the same supplier;
- Table of the remuneration and expense allowances for the Borough Mayor and Councillors. These are in compliance with applicable laws and by-laws.

Financial situation as of December 31, 2016

The 2016 budget forecast planned expenditures of \$33,201,800. As of December 31, 2016, actual expenditures amounted to \$32,000,300. Compared to the amended budget of \$32,941,400, this represents a saving of \$941,100. Actual revenues totalled \$1,404,300, compared to the modified budget estimates of \$1,328,300, resulting in a favourable variance of \$76,000, largely due to various rentals and miscellaneous income (occupation of public property) during the fiscal year. Non-recurring corporate financial adjustments totalling \$380,500 also improve this aspect, bringing the results of the financial surplus to \$1,397,600. This performance allowed the Borough to show an unreserved accumulated surplus of \$9,151,049.13, as of December 31, 2016.

Three-year Capital Expenditure Program 2016-2018

A total of \$5,018,965 was invested as part of the three-year program of capital expenditures in 2016-2018. This amount was allocated for:

- Road rehabilitation works and paving of various streets;
- The maintenance of municipal buildings and equipment to bring them up to standard;
- The implementation of various development works in the parks.

Additional works in the order of \$15,231,153, funded entirely by Ville de Montréal, were undertaken on Borough territory to improve water, sewer and drainage networks as well as for road reconstruction.

In addition, new municipal infrastructures totalling \$265,236 were installed as part of new residential projects in the Borough. These infrastructures were entirely financed by developers.

Preliminary financial indicators for 2017

The budget allocation for 2017 amounts to \$29,112,300. The Borough expects to meet its commitments in terms of expenditures and revenues, despite the exceptional costs incurred due to the 2017 spring flooding episodes.

General orientation for the 2018 budget

The 2018 budget will be presented at a public council meeting, which will be announced at a later date.

Presented on September 11, 2017

PERMITS AND CERTIFICATES OF AUTHORIZATION

A permit or a certificate of authorization is not always required to carry out certain maintenance work.

For more information call the Construction and Building Inspection Division at 311 or come to Borough Hall, 13665, boulevard de Pierrefonds. The personnel will inform you about pertinent rules and standards.

A BOOST FOR THE ENVIRONMENT

You may email us your drawings and documents required for a permit or certificate of authorization application (PDF format), saving paper, time and money.

The email address is the following:
permis.pfdsrox@ville.montreal.qc.ca.

However, the application and payment must be submitted at Borough Hall.

TEMPORARY CAR SHELTERS

- ✓ It is permitted to install one winter car shelter, one winter doorway shelter and one winter tunnel on a single property **between November 1 and April 15**.
- ✓ Shelters have to be installed at least **1.5 m from the curb, roadway or fire hydrant**.
- ✓ The structure of these shelters must be covered with a waterproof and fireproof fibrous, synthetic canvas. Only these colours are allowed: **white, light grey, light yellow, light beige or light blue**.
- ✓ The maximum height of a winter shelter is 3 m.
- ✓ The shelter must be installed on a parking space that is not in view.

**REMINDER:
CONSULT THE
NEW BY-LAW
ON TEMPORARY
CAR SHELTERS IN
FORCE SINCE
NOVEMBER 2016.**

MUNICIPAL BY-LAWS: EVERYTHING WITH ONE CLICK!

The by-laws on zoning, construction, administration, etc. may be consulted at any time on the By-laws page of our website (ville.montreal.qc.ca/pierrefonds-roxboro).

WINTER PARKING

Don't forget that street parking is prohibited at night between 1 a.m. and 7 a.m., November 1 - April 1.

2017 SPRING FLOODS

Information on the 2017 spring floods may be found on our website (ville.montreal.qc.ca/pierrefonds-roxboro).

- > SERVICES FOR RESIDENTS
- > ENVIRONMENT
- > PROGRAMS, PLANS AND CAMPAIGNS

RESIDENTS AND THE BOROUGH... WORKING TOGETHER IS A MUST

Operation Snow Clearance: let's adopt good habits.

- Show consideration for pedestrians and do not put any snow on the sidewalk.
 - Obey the parking regulations and move your vehicle in time.
 - Place your garbage cans, bags or containers in your driveway and never on the sidewalk or a snow bank.
 - Shovel snow on your residential or commercial land and not in the street.
- Park 30 cm from the sidewalk and place your snow clearance markers 60 cm from the sidewalk or curb, on your own grounds.
 - Make sure you remove all objects from your driveway - logs, paving stones, concrete blocks, etc. - that might be pushed into the street and cause a snowblower breakdown.

The Borough's snow clearance operations

- Less than 5 cm: ice melter and abrasives are spread.
- More than 5 cm: roads and sidewalks are cleared during the snowfall.
- Subsequently: after snow clearance, a snow loading operation gets underway, ordered by Ville de Montréal, and may take 2 to 6 days to complete, depending on the amount of the snowfall.

PRIORITIES

A level of service must be reached depending on the priority of streets (three levels). These levels are determined according to a combination of the following characteristics:

PRIORITY 1

Major streets, major commercial streets, bus routes, reserved lanes, hospital entrances, narrow streets, etc. (i.e. de Pierrefonds, Saint-Jean, des Sources)

PRIORITY 2

Collector streets, local commercial streets, regular bus routes, etc. (i.e. Pavillon, Sainte-Anne, Perron)

PRIORITY 3

Local streets, industrial sectors, etc. (i.e. Baldwin, Hélène, Dauville)

WOOD HEATING

Under the By-law concerning the use of solid fuel-burning devices and fireplaces—that has been in force in Ville de Montréal's 19 boroughs since August 25, 2015—anyone having a solid combustible appliance or fireplace must:

- declare their appliance
- stop using it during smog warnings
- stop using it **as of October 1, 2018**, unless it is recognized by the EPA (Environmental Protection Agency) which requires that no more than 2.5 g/hr of fine particles are emitted into the atmosphere. New models of appliances will be available on the market over the next few years.

However, the By-law authorizes the use of all solid fuel-burning devices during power outages that last more than three hours.

More information may be found on Ville de Montréal's website at: ville.montreal.qc.ca/chauffageaubeis, and click on English.

CHIMNEY SWEEPING

Under the By-law on fire prevention, you must have your chimney(s), flue(s) and connecting pipes inspected for any hazardous conditions, at least every 12 months or whenever you connect a heating appliance or when a chimney fire has occurred.

In addition, it is highly recommended that you deal with a private chimney sweeping company registered with the Régie du bâtiment du Québec. We encourage you to consult the website of the Association des professionnels du chauffage, at poelesfoyers.ca, for more information in this regard.

Some general advice

- Sweep the chimney after every five cords of wood burned or at least once a year, preferably in the spring, as the deposits of creosote left in the chimney, combined with the hot, humid weather in the summer, corrode steel parts over time and increase the formation of creosote deposits.
- In the fall, examine the chimney using a small mirror in order to make sure that no debris has accumulated during the summer to obstruct it (bird's nest, detached pieces, etc.).
- Don't try to ignite a fire in the chimney to eliminate the creosote, as the entire house may go up in flames as a result.
- Don't rely on logs or powder additives designed to clean the chimney flue. These products eliminate only 60% of the creosote, whereas chimney sweeping generally removes 75% - 90%.

Please note:

We wish to remind you that fireplaces and wood-burning stoves are not incinerators. They are intended for burning solid materials only.

DID YOU KNOW...

Creosote is the name given to several types of oil extracted from wood tar, coal or from a plant.

SAFETY

SMOKE ALARM

Here is some advice to follow...

- Intermittent sound signals indicate that the battery is too weak and must be changed. **Never install a rechargeable battery.**
- Install one smoke alarm per floor, including in the basement.
- Install one in the hallways, near the bedrooms, making sure that no obstacles block the smoke from circulating.
- Replace your smoke alarms every 10 years.
- If you are a tenant, your landlord must provide you with at least one smoke alarm per floor, including the basement; however, you are responsible for maintaining it and changing the battery, if necessary.

When you turn the clocks forward or back, it is a good time to also check your smoke alarm and change the battery, if need be.

Every month, check your smoke alarm battery(ies) using the test button.

100% SAFETY

In order to raise residents' awareness of sharing the road, the SPVM and Ville de Montréal have set up **100% safety**—the biggest road safety campaign ever in Greater Montréal.

Being 100% safety, making sure you can see, hear and be seen means having all your senses on the alert at all times. Whether a pedestrian, a cyclist or a motorist sharing the road, we are all required to shoulder part of the responsibility in the event of a collision. In fact, the eyeball symbol conveys this message well.

Here is some advice to follow:

- As a motorist or motorcyclist, I avoid distractions.
- As a cyclist, I share the road and obey the Code.
- As a pedestrian or cyclist, I keep my distance from vehicles.
- As a pedestrian, I make sure I see, hear and can be seen.
- As an elderly person, I cross the street at the right place, at the right time.

100% Safety: I make sure I see, hear and can be seen!

HALLOWEEN: BE CAREFUL!

Halloween is filled with surprises and fun! Here are a few wise practices to make the activities safer and more enjoyable!

- Costumes must be light-coloured, fire resistant and equipped with reflective strips so that children can be better seen in the evening. (Don't forget to stick reflective tape on bicycles, skateboards and brooms!)
- Costumes should be short enough so that children don't trip over them.
- Remind your children to stay far away from flames and candles. (Costumes may be very flammable.)
- Use face painting instead of masks or anything else that covers the eyes.
- Remind your children to walk, skate or search through their things only on the sidewalk and not on the street.
- Explain to your children that they must stay on one side of the street at a time, going from door to door, and then cross over, and that it is wiser to cross the street only at intersections and crosswalks.
- Remind your children to look both ways before crossing the street to make sure there are no cars, trucks or... low-flying brooms!
- Bring a flashlight or give one to your children so that they can better see and be seen.
- Children should plan their route and let you and your family know what their plans are.
- Children should travel in groups of four or five. Young children should be accompanied by an adult.
- Go only to homes where the front lights are on.
- Make sure the children know that they must accept only candies given out at the door and that they must not go into strangers' cars or go into strangers' homes or apartments.
- Remind your children that they must wait until an adult at home checks their candies and sweet treats before they can eat them. Candies must not be eaten if the wrapper is already open. Little bits of hard candies may choke young children.
- Make sure you and your children know where to find the *Parent Secours* (Block Parents) homes in your neighbourhood.
- Set limits with your children. Explain to them the importance of obeying these limits and returning home by their time limit.

THE SIGNAGE AND ROAD SAFETY COMMITTEE

The Signage and Road Safety Committee is made up of a Borough Council member, representatives of Ville de Montréal's Engineering, Public Works and police departments, the Borough of Pierrefonds-Roxboro's Public Safety team as well as local residents. Its mission is to ensure the follow-up of traffic matters, provide additional information for understanding in case of requests, look after coordinating actions and make recommendations to concretely improve the quality of life of residents in the Borough of Pierrefonds-Roxboro. The Committee also strives to raise the awareness of all local parties concerned, including residents, first and foremost.

The Committee members meet five times a year to discuss and make recommendations to Borough Council about signs and parking. Various matters relating to residents' requests are evaluated at that time. The Signage and Road Safety Committee handles only written requests by Borough residents. The requests may be sent by email to the following address: ingenierie.pfdrsrx@ville.montreal.qc.ca or by mail to Borough Hall, at the following address: Borough Hall, 13665, boulevard de Pierrefonds, H9A 2Z4 and be marked "Signage and Road Safety Committee".

SAFETY FOR EMERGENCY AND SERVICE VEHICLES

Emergency and service vehicles are usually much longer than ordinary cars. They therefore need more space to turn as well, which means that these vehicles can't turn as easily as a car and that they need more space when turning at an intersection. Pay attention to the presence of these vehicles when travelling on a public roadway and make sure you give them the space they need to maneuver safely.

GOING AWAY ON VACATION? OPT FOR THE OWL PROGRAM

Whether you are going away on vacation or on a business trip outside the City and are leaving your home without any supervision for a short period of time (7-21 days), contact the Public Security's call dispatch centre before you leave, in order to take advantage of the Owl Program.

This program guarantees greater presence of the Borough's public security agents around your home. It includes:

- a foot patrol outside your home and around your property
- checking doors and windows
- a report on any irregularities to the police department, to your alarm central station and to you, as well, in the case of suspicious presence or activity: alarm, mischief, breaking and entering, etc.
- picking up newspapers, advertisements and circulars

Register by phone: 514 630-6300

BY-LAWS

DOGS AND CATS:

FOR YOUR ANIMAL'S WELL-BEING, GET A PERMIT

A LOST ANIMAL MAY BE FOUND QUICKLY THANKS TO THE PERMIT RECORDS KEPT BY THE CITY

Obtaining a permit is mandatory. The by-law in force states that no one can keep a dog or a cat without obtaining the permit required. This permit must be obtained within 15 days after acquiring the dog or cat or the day when the dog or cat reaches the age of 3 months; the longest period applies.

NUMBER OF CATS AND DOGS

The maximum number of animals allowed in a dwelling is four, while the number of dogs is limited to a maximum of two.

However, it is possible to keep a maximum of three dogs by obtaining a special permit issued by the borough.

These restrictions do not apply when an animal gives birth. In this case, the puppies and kittens may be kept for three months.

PERMIT EXPIRY DATE

The permit is issued on an annual basis. It is valid from January 1 to December 31 of each year and must be renewed before its expiry date.

Pitbull type dog owners that didn't complete their request for a special permit before the deadline, now have until December 21, to complete their request and supply all required documents to the administration.

PROCEDURE FOR OBTAINING DIFFERENT TYPES OF PERMITS

REGULAR ANNUAL PERMIT

Residents wanting to renew a regular permit or apply for a new one must complete the form below and mail it to Borough Hall along with the certificate of sterilization. Permits may also be obtained or renewed in person at Borough Hall (see page 2 for address and business hours).

SPECIAL PERMIT TO KEEP THREE DOGS

It is possible to apply for a special permit to keep three dogs in a dwelling, provided:

1. the dogs are sterilized and vaccinated against rabies;
2. the keeper does not reside in a building of three dwelling units and more;
3. the permit application must not be related to a dangerous dog or be submitted by a dog keeper who has been convicted of a nuisance under the by-law on animal control.

Since October 3, 2016, a new by-law on animal control has come into force in all Montréal boroughs. This by-law now regulates animals everywhere in Montréal.

Visit our website or ville.montreal.qc.ca/animaux to consult the by-law.

“HELLO NEIGHBOUR”

Daily phone call service

It is still possible to register for this service, which aims to increase the security of the Borough's seniors.

How does it work

A Public Security agent that has received First Response Training will call each participant every day. In case of a problem, he will immediately contact the Emergency officials as well as the person's relatives and loved ones.

To register, phone 514 630-6300.

THE BOROUGH OF PIERREFONDS-ROXBORO LISTENING TO SENIORS AND YOUTH

The Borough of Pierrefonds-Roxboro is in the process of coordinating the creation of a senior and youth council. The Council's mandate is to advise the Mayor and the elected officials on the various issues affecting seniors and youth in order to ensure that the concerns of these groups are taken into account in the Borough's decisions.

If you are a senior or a young person between the ages of 13 and 25 and would like to actively contribute to the development of an environment that is conducive to actively aging seniors and to help strengthen an engaged youth in your community, follow us on our website and Facebook page, over the coming months.

VILLE DE MONTRÉAL'S MUNICIPAL ACTION PLAN FOR SENIORS

Ville de Montréal's Executive Committee took note of the tabling of the summary of the accomplishments of Ville de Montréal's 2013-2016 Municipal Action Plan for Seniors. This summary of results comes within the scope of the continuation of the work undertaken to make Montréal a more inclusive city for seniors and is in keeping with front-line efforts to improve their quality of life.

In order to improve seniors' quality of life, the City asked 22 municipal units and organizations to carry out 104 developmental actions. To do so, everyone had to cultivate the "senior's reflex", provide for appropriate coordination and expertise, adopt new approaches as well as plan and set up a number of activities.

From 2012 to 2016, the City organized 209 activities and undertook 76 developmental actions to successfully carry out its first Municipal Action Plan for Seniors. Special mention should be made of a new support service for seniors who are victims of abuse or mistreatment, greater accessibility to buildings for people with physical limitations, matching up people from different generations and cultures, etc.

Between 2013 and 2016, 57 infrastructure projects under the responsibility of 13 boroughs and 2 central units were also carried out, including outdoor training tracks in parks, urban furniture, the development of community gardens and planters for gardening, semi-open-air dance floors, safer and more accessible urban trails as well as areas for rest and relaxation, to name a few.

WITHIN THE SENIORS' ACTION PLAN SUBSIDIES, THE BOROUGH BUILT THE FOLLOWING OUTDOOR FACILITIES FOR SENIORS

Rive-Boisée Park

New lawn bowling grounds and a piazzetta have been set up as well as a lit, paved trail

Project cost: \$225,000 before tax and contingencies

Amount of grant from MADA: \$100,000 before tax

- Development of a universally accessible paved trail
- Lighting of the trail for safety
- Development of two lawn bowling grounds
- Addition of furniture for the lawn bowling grounds (benches for the players, litterbaskets and a scoring stand)
- Addition of furniture for the new piazzetta (picnic table, litterbaskets and game table with a checkerboard)
- Addition of 4 cradle benches along the trail

These facilities make it easier for people with limited mobility to get around and they provide a combination of sports and relaxation space for seniors.

Cultural Centre patio

Construction of an illuminated patio/stage with a pergola and new furniture

Project cost: \$400,000 before tax and contingencies

- Construction of a universally accessible patio and stage
- Addition of lighting
- Construction of a new pergola
- Addition of furniture (benches, litterbaskets and a picnic table)
- Installation of bells
- Addition of 4 cradle benches along the trail

These facilities make it possible to hold cultural activities, present outdoor shows and serve as a universally accessible public square.

CULTURAL PROGRAMS

AN INTRODUCTION TO A FEW PERFORMERS WHO WILL BE ENTERTAINING US THIS FALL

Photo: Pierre Étienne Bergeron

SUZIE LEBLANC

Back to her musical roots for an All-Acadian Christmas Eve

On December 3, Acadian soprano Suzie LeBlanc will be presenting excerpts from a collection of rounds and songs that her Acadian ancestors brought over to North America. Accompanied by her musicians, she will be performing excerpts from "Christmas of old" selections.

It is thanks to one of this singer's cousins that we can savour these delightful tunes. In fact, following a concert in the village of Memramcook, New Brunswick, he gave her this collection of songs that are as countless as they are old.

Curious to hear some excerpts?

Go to the atmamusique.com website and search for the *Veillée de Noël* album, which was released in October 2014.

An Acadian Star

Suzie LeBlanc is famous all over the world for her interpretations of music from long ago, and especially from the Baroque period (Handel, Bach, Vivaldi, etc.), a repertoire that particularly highlights her luminous, ethereal voice. In 2015, she was appointed to the Order of Canada for her contribution to the development of ancient music and the Acadian culture.

Photo: M-Reza PARHIZVARI

CABARET ROUTHIER

A Show of Discovery in Song

A born leader who loves performing on stage, singer-songwriter-composer Philippe Routhier invites the public to a cosy cabaret featuring an out-of-the-ordinary combo of various vocalists.

In Pierrefonds, on Friday, November 10, the famous guests will be **David Ratté** and **Andréa Bélanger** of the indie-folk group Will Driving West as well as **Mathieu Laberge**, an up-and-coming performer who will present his country folk compositions.

Discover the music of Will Driving West: willdrivingwest.com.

Photo: Bruno Rizzato

ALEJANDRA RIBERA

Light and Sensitivity

Born in Toronto to an Argentinian father and a Scottish mother, this captivating singer-composer-songwriter settled in Montréal to pursue a career in music. She never fails to charm her audiences through her performances so emotionally charged that they pull at the heart strings.

*"The gentleness of **This Island** knows no bounds, tinged with nostalgia and sunny optimism that soothe the soul."*

What will she perform on November 17?

Delicate, large arrangements, refined melodies and music from *This Island*, her most recent album, released in January 2016. Some say this album is reminiscent of Damien Rice's beginnings and denotes a certain Rufus Wainwright influence among others...

On November 17, come enjoy a sound experience that will carry you off to dreamland and celebrating light!

Visit alejandraribera.com to immerse yourself in her world...

CULTURAL PROGRAMS

CHILDREN AND FAMILIES

PUBLIC MARKET

This summer, we inaugurated a Public Market in Pierrefonds–Roxboro, held on Fridays and located outside the East Community Centre. This market provided residents with a wonderful opportunity to buy fresh, good quality produce in a festive environment. Rain or shine, our dozens of local merchants all came to welcome us and not only offer a variety of excellent produce, but also wise advice. Thank you for the large turnout among you all. We are very proud of the market's great success and we hope to see you again next year!

STAR OF LIFE

BASIC TRAINING IN CARDIOPULMONARY RESUSCITATION (CPR)

The goal of the Star of Life program is to enable residents to learn the technique and perhaps to save a life. The training is free and lasts about thirty minutes. A certificate will be given to those who have taken the training.

Dates: October 11, November 8 and December 6 (in French);
October 25, November 22 and December 13 (in English)

Location: East Community Centre

Registration required (limited number of places): 514 630-6300

The Star of Life program was set up by the Borough of Pierrefonds-Roxboro's Public Security department and its Mayor, Dimitrios (Jim) Beis.

Since December 2015, more than 1100 people have received this training.
