## MESSAGE FROM MONTRÉAL MAYOR

Spring has finally arrived, after a long, harsh winter, with promises of a summer filled with pleasurable moments spent in the garden, around the swimming pool, in city parks and on bicycle paths.

The Pierrefonds-Roxboro activity program offers a wide range of warm-weather activities for you to discover, all listed for easy consultation in the following pages.

I would like to point out that the swimming pool at Grier Park will be completely revamped this summer and will feature a wading area and water games.

It is also worth highlighting Roxboro's 100th anniversary in 2014. I hope that this year's celebrations will help you to connect with the history of your borough, as well as that of Montréal, one of the world's most attractive cities.

Montréalers are proud of their city, and with the valuable help of the boroughs, we will shape it into a metropolis which you will be even prouder.

Enjoy the summer!

## MESSAGE FROM THE BOROUGH MAYOR

### A Borough on the Move

In recent months, members of the Borough Council, the management and all the employees worked together tirelessly in order to maintain and improve the level of services offered to the Pierrefonds-Roxboro citizens.

Continuing our work and influence among economic and social actors of our borough toward universal access to make public places more accessible to people with disabilities, the revitalization of our business areas is also a priority to me. Encouraging economic development will be the subject of ongoing discussions and as well as the environment; a priority combined with the improvement of our public transportation and our bicycle paths.

The citizen's interest and involvement in municipal affairs are essential to help us progress collectively. My commitment to improve communication with our residents is a priority. We have already made sure that citizens could receive automatically notices to residents, press releases and information concerning Pierrefonds-Roxboro borough's activities by subscribing to the borough's website RSS feeds.

And this summer, there will be an eagerly awaited event at the Pierrefonds-Roxboro borough. We will provide to all citizens the first public pool located on the Valleycrest pool site at Grier Park. The work completed! We won't miss informing you about the opening day!

In addition, among the activities not to be missed is the celebration of the Centennial of Roxboro launched at the beginning of the year which will continue throughout 2014. Several activities are organized for you by a group of dedicated volunteers. I hope to meet you there! For further information and to share memories, I invite you to subscribe to the Facebook page: [facebook.com/roxboro100](http://facebook.com/roxboro100)

Our volunteers and organizations are the essence of a strong community and should be recognized and supported for the many services they provide to people of all ages. A list of activities and events they offer is available on our website. You will also notice that we added the universal access pictogram indicating all activities and programs accessible to people with disabilities to better serve our community.

Finally, with the help of Ville de Montréal, we will combine our efforts to deal with the alarming situation regarding the emerald ash borer, an invasive insect that affects many of our ash trees on our territory. We will invite the citizens to an information session concerning this important issue during the summer. Already, I invite you to read the article from our horticultural and arboriculture inspector on page 21 of this magazine.

Again, I invite you to contribute to the development of your borough and express, in a constructive manner, your suggestions and comments.

Wishing you a great summer!

A handwritten signature in black ink, appearing to read "Dimitrios (Jim) Beis".

## MESSAGE FROM THE CITY COUNCILLOR CAP-SAINT-JACQUES DISTRICT

### **Outlook for a more secure borough**

A few more minutes to get to destination is the best solution to get home safely.

Our borough has over twenty elementary and high schools, and every day many children walk to get to school. Very often, the citizens' requests addressed to the Signage and Road Safety Committee concern the speed of motorists and claim measures to force motorists to slow down.

The Signage and Road Safety Committee consists of an elected member of the council, members of the Public Works and Communication departments, a public safety officer and a police agent from the Station 3 and as well as 3 citizens of Pierrefonds-Roxboro Borough.

The meetings are held at least quarterly or more frequently if necessary.

How to address your request to the Signage and Road Safety Committee?

Send your request in writing to the Committee whether it is for a request to change signage, for a cross-walk, a parking restriction or for space in terms of universal accessibility.

The Signage and Road Safety Committee is an advisory committee. We carefully analyse the requests and make recommendations to the Borough Council who ultimately adopts regulations or resolutions necessary to implement the decisions.

Please do not hesitate to contact us! We are always ready to listen to you!

**Yves Gignac**  
Borough Councillor

## MESSAGE FROM THE BOROUGH COUNCILLOR CAP-SAINT-JACQUES DISTRICT

### **Towards a sustainable economy**

Today more than ever, municipal entities strengthen their strategies in terms of sustainable development. With the principle of improving the quality of life and the appeal of the collectivity, the Pierrefonds-Roxboro Borough intends to make every effort to continue and enhance its commitment in this respect.

In order to achieve this, we must first give ourselves greater prosperity and, in this sense, we need to focus on projects that will accelerate our economic growth, and in a socially- and environmentally-acceptable balance. Whether for leisure and culture, social development, environment or economy, the borough will seek the collaboration of our government, other public, private and socio-economic partners in a collaborative and visionary spirit to encourage this development.

And as citizens are the heart of this vision, you will also be invited to get involved in sustainable economy.

In February, the Strategic Plan for Sustainable Development Partners Committee met and our various partners presented a picture of their activities and results. Many examples of their contribution to our quality of life, their efforts to protect our territory were presented and several issues concerning water, air quality, etc. were discussed.

Collectively, our efforts in terms of sustainable transport and mobility contribute to the reduction of greenhouse gas emissions. Improved management of our waste and recycling helps reduce volume in landfills, and many other equally inspiring initiatives.

The concept strategy of smart cities will help achieve our ambitious goals, as well as our commitment to continue to provide administrative management and strict expenditure control while ensuring the improvement of our services.

Wishing you a warm and sunny summer! The sun: nature's sustainable energy source!

## MESSAGE FROM THE CITY COUNCILLOR BOIS-DE-LIESSE DISTRICT

### A time of renewal!

After a long, cold winter, the arrival of a long-awaited spring brings with it a promise of new hope, new projects and a renewed energy. In this first communication to the citizens of Pierrefonds-Roxboro, I thank you for your support at last November's municipal elections, giving me an opportunity to serve the community of Bois-de-Liesse District.

Spring is also a time to reconnect with the Earth. As we put away our snow shovels and snow blowers, we take out our gardening tools! We are fortunate in Pierrefonds-Roxboro to have so many green spaces: numerous parks and gardens as well as our two large parks, Cap-Saint-Jacques and Bois-de-Liesse. For many residents, our borough's numerous trees and green spaces are an important factor in choosing Pierrefonds-Roxboro as their place of residence.

But our green canopy faces a new threat: the Emerald Ash Borer, an invasive insect that attacks the ash tree. Although the borough has put in place a plan to control the insects' spread, unfortunately, once the disease is present, some amount of tree loss is inevitable. To proactively counter the potential loss of many of our ash trees, I invite all citizens to consider planting a tree or two on their property, which will not only purify the air but will also add beauty and property value to your home! Our éco-quartier, located at 13, rue du Centre-Commercial in Roxboro will distribute trees this spring at a reduced cost of \$25 per tree as part of the program «A Tree for my Neighbourhood». Visit their website at eqpr.ca to find out more and to reserve your trees.

I would like to conclude with a word of congratulations and encouragement to all those who take advantage of the numerous sports associations our borough has to offer. From the soccer field to the baseball pitch, the football field and community pools to the basketball or tennis courts, it's great to see so many of our residents, both young and not-so-young, enjoying an active lifestyle. On that note, I hope to cross paths with you soon on a bike path, soccer field or park in your neighbourhood!

**Roger Trottier**  
Borough Councillor

## MESSAGE FROM THE BOROUGH COUNCILLOR BOIS-DE-LIESSE DISTRICT

### Your contribution in your community

For a long time, I have been interested in the inner workings of our borough. This interest has naturally led me to be a candidate in the municipal elections for a second time, and I thank you for your trust. Being elected as borough councillor, gives me the opportunity to put forth my ideas and those of people I meet.

I recognize that achieving success in a borough is not limited solely to how clean a street is or how well the grass is cut in our parks. These are important elements, however, I believe that the actual measure of success is directly linked to the human side of the operations, and in this aspect the Borough of Pierrefonds-Roxboro is particularly active. Between 20 and 25 community organizations, and their numerous volunteers, work tirelessly helping youth in sporting activities and offering support to our seniors in need. Our community associations organize also cultural events that help to grow our community spirit.

Last Christmas, I was invited to join the Roxboro Optimist Club at their annual food drive to help families in need. The executive team, composed of 7 people, was able to find approximately 100 volunteers of all ages to help. It was a great success. This community organization organizes, in collaboration with teachers from different schools, special fun and learning activities for children.

The Optimist Club is always looking for volunteers. If you are looking to participate with your children, simply give a call to our local organizations and they will be glad to show you how you can enjoy participating. There's something for everybody young or not so young.

Have a nice and warm summer!

## Just a Reminder...

### WINTER SHELTERS IN ANTICIPATION OF WINTER

The borough of Pierrefonds-Roxboro would like to thank all citizens who collaborated to make their temporary winter shelters compliant with regulations. Also, here's a reminder of the requirements to be met:

- ✓ it is permitted to install one winter garage, one winter doorway shelter and one winter tunnel on a single property between **November 1 and April 15**;
- ✓ shelters must be installed **at least 2 m from the edge of the street or of the roadway and at least 1 m from the sidewalk** as the case may be;
- ✓ the structure of these shelters must be covered in a **tone of white** fibrous synthetic canvas, waterproof and fireproof;
- ✓ the maximum height of a winter shelter must not exceed 3 m.

Please note that the non compliance with legislation on temporary shelters is considered an offence liable to a fine for each not respected requirement.

## CALLS FOR TENDERS

In accordance with article 477.6 of the Cities and Towns Act, the Borough of Pierrefonds-Roxboro publishes a list of all contracts dated April 1, 2011 and thereafter involving an expenditure of at least \$25,000 in the government of Quebec's electronic Tender Notice System (SÉAO).

SÉAO is a Web application through which Quebec buyers publish procurement notices which allows suppliers to consult, order and have a free preview of tendering documents (source: seao.ca).

For more information, please visit the page «Calls for tenders» of the borough's website: ville.montreal.qc.ca/pierrefonds-roxboro.

## Obtaining a Permit or a Certificate of Authorization is in Your Best Interest

Obtaining a building permit or a certificate of authorization ensures your compliance with any future by-law modifications. This document provides you with peace of mind, because it will confirm that you have vested interests, solving any dispute or delay that could arise during a housing transaction.

**DO NOT FORGET** that there can be delays while issuing permits and certificates and the delays may vary according to the amount of clientele and the permit type. So submit your project as soon as possible!

**SO SUBMIT YOUR PROJECT AS SOON AS POSSIBLE!**

## NEW ONLINE SERVICE IN RELATION WITH SUSTAINABLE DEVELOPMENT

You can send us your drawings and documents electronically, saving paper, time and money.

The email address is the following:  
permis@pierrefonds-roxboro.qc.ca.

However, the request and the payment must be made at the Borough Hall.

## Certificate of Authorization

Obtaining a certificate of authorization is required for the following work:

- tree felling;
- installation of an in-ground pool or above ground, or inflatable pool at a height greater than 600 mm;
- installation or relocation of a fence, wall or retaining wall;
- construction of an accessory building (shed, pergola, etc.);
- installation or replacement of accessory equipment (heat pump, air conditioning, propane tank);
- installation or replacement of a heating backup device (except a solid fuel appliance which is forbidden) and a chimney;
- removal or installation of an outdoor heating oil tank;
- moving or transporting a building;
- installation or modification of a sign;
- restore or stabilize river banks;
- landfill or clearing;
- install a communication antenna of more than 50 cm in diameter;
- install or replace a water or sewer pipe connection;
- replace, install or modify a sewage treatment system (septic tank);
- add or modify a driveway entrance.

## Certificate of Occupancy

It is illegal to run a business in residential or commercial premises without first obtaining a certificate of occupancy.

For more information, consult our website at: [ville.montreal.qc.ca/pierrefonds-roxboro](http://ville.montreal.qc.ca/pierrefonds-roxboro) or dial 311.

## CURBS, SIDEWALKS, CULVERTS AND DRIVEWAYS

A certificate of authorization delivered by the borough's Construction and Building Inspection Department is required to modify or reconstruct street curbs and sidewalks.

For information on the requirements for the construction of driveways, or any other request, please feel free to contact our social communications agents by dialling 311.

### PROCEDURE

The certificate of authorization application must be submitted to the Construction Division. A certificate of location is required. Following the issuance of the certificate, an agent of the Engineering Section will estimate the works' cost and proceed with the marking. The citizen will be informed of the cost by phone. The payment must be done at the Engineering Section.

Curb cuts are made by a contractor hired by the borough. Curbs and sidewalks reconstruction, as culverts installation, are made by the borough's Public Works Department.

### WAITING PERIOD

A delay of approximately four (4) weeks must be considered between the request and issuance of the certificate. After receiving the payment, works will be accomplished in approximately:

- three (3) weeks for curb cuts;
- six (6) weeks for curbs and sidewalks reconstruction;
- six (6) weeks for culverts installation.

### COST

Certificate of authorization: \$50;

Curb cuts: \$55 per linear meter;

Curb cut with bevelled edge: \$65 per linear meter;

Curb reconstruction: \$85 per linear meter;

Sidewalk reconstruction: \$150 per linear meter;

Culverts installation: \$140 per linear meter;

Whole in the curb: \$90.

Prices are tax free. They are subject to change without notice.

### ADDRESS AND HOURS

Permits Counter

Mondays to Thursdays, from 8 a.m. to 12 p.m.  
and from 1 p.m. to 4:30 p.m.

Fridays, from 8 to 12 p.m.

## DUMPING REFUSE ON VACANT AND BUILT LOTS

It is forbidden for anyone to place, deposit or leave on a vacant or a built lot – whether the person owns the lot or not – mud, concrete, ashes, circulairs, cement, containers, waste, scrap iron, manure, gravel, newspapers, paper, stones, liquid manure, rubbish, rocks, sand, stumps, demolition materials, dangerous domestic waste, nauseous substances or any other similar material or objects causing insalubrity. Offenders are liable to a fine.

# BY-LAWS

## FENCE MAINTENANCE

Maintenance of hedges, lawns, flowerbeds and gardens starts with the arrival of warmer weather. Please do not forget to take the time to maintain your fences. A coat of paint or stain may be required, or some of the boards or even a section of the fence may need to be replaced.

## NUISANCE AND ORDER

To maintain order and ensure citizens' peace, it is forbidden to use bells, whistles, chimes or other noise producing items or machines (such as radios, sound-systems, televisions or musical instruments) outdoors between 11 p.m. and 7 a.m.

## OBSTRUCTION OF THE PUBLIC ROAD: BASKETBALL HOOPS

Article 14.10 of By-law 868 specifies that "No person may, unless authorized by the person responsible for the maintenance of a public road, impede by means of an obstacle the traffic on a public road". Therefore, it is forbidden to put or install basketball hoops in the street and on sidewalks. Violators will receive a notice from Public Security asking them to move the basketball hoop and install it on their private property within 48 hours. At the

end of this period, the Public Works Department will remove the hoop and will store it at the municipal garage. If it is not claimed within 48 hours after arrival at the garage, it will be disposed of.

## PROTECTION OF BUILDINGS AGAINST SEWAGE OVERFLOW

The Building protection against sewer overflow By-law (11-010) is applicable to:

- a new building;
- a building where work is carried out for the transformation of a plumbing system (changing the plumbing or adding devices in the basement);
- a building which has undergone an overflow or a flood.

Moreover, it is prohibited, according to this bylaw, to evacuate stormwater towards the sanitary network or to maintain such an existing facility.

For more information, consult our website at: [ville.montreal.qc.ca/reglements](http://ville.montreal.qc.ca/reglements) or dial 311.

## BY-LAW CONCERNING WILD ANIMALS

It is prohibited to feed pigeons, gulls, sea gulls as well as small wild animals such as squirrels, skunks, raccoons, rabbits and others, in a manner that would encourage them to gather and cause inconveniences to neighbours or damages to nearby buildings.

## RESIDENTIAL SWIMMING POOLS SAFETY

The safety of our children is a priority in our borough. Before you buy or install an in-ground, above ground or inflatable pool, we recommend that you contact the borough in order to know the by-laws in matters of security and development of the site.

In addition to municipal requirements that require all pools be fenced in order to protect all access, the provincial by-law concerning residential swimming pools safety also applies.

It is therefore essential to obtain all the information necessary for your project and your certificate of authorization.

Inspections will take place throughout the summer and statements of offence may be issued without further notice.

## THE USE OF WATER NEW BY-LAW

### For Watering

Since June 20, 2013 in the Ville de Montréal's 19 boroughs, watering is allowed for even-numbered addresses on even-numbered dates and odd-numbered addresses on odd-numbered dates.

# BY-LAWS

## If it is not raining:

- with a portable lawn sprinkler or a soaker hose between 8 p.m. and 11 p.m.;
- with an automatic sprinkler system, equipped with a humidity sensor, the night between 3 a.m. and 6 a.m.;
- hand-watering is allowed at any time.

## For Using a Hose for Equipment Connected to the Water Supply System

- it is prohibited to fill a pool between 6 a.m. and 8 p.m. However, between April 1 and May 15, you are allowed to do so at any time;
- washing paved surfaces (asphalt, for example), patios and outside walls is prohibited, except during construction and landscaping work or as a health measure. However, between April 1 and May 15, you are allowed to do so at any time.
- it is prohibited to let water trickle onto the road or onto neighbours' properties;
- all decorative ponds with waterfalls, water fountains or water jets must have a water recycling system.
- air cooling and refrigeration units

operating on water and with no water recycling system are prohibited. Existing units may be used until 2018.

## THE USE OF PUBLIC PARKS

To ensure that everyone can enjoy our parks, it is forbidden to:

- deposit trash anywhere except in containers provided for that purpose;
- bring animals except Seeing Eye dogs;
- ride a bike, drive a truck, a motorcycle, a car or other motorized vehicle;
- consume alcoholic beverages;
- enter or stay in parks between 11 p.m. and 6 a.m. except to participate in or attend planned recreational activities;
- use golf clubs;
- throw stones or other projectiles, by hand or by using an instrument, except when participating in a sport, in an area especially designated for that purpose.

## GARAGE SALES

### PIERREFONDS SECTOR

Only objects that have been used or were acquired to be used for domestic purposes by the occupants of the home or building

can be sold. No one may conduct a garage sale without a permit.

Garage sale permits are valid for two days. No more than two permits can be delivered per calendar year for the same address. Permits can be delivered for two consecutive days. Sales take place only between 9 a.m. and 5 p.m.

Permits can be obtained, free of charge, by filling out an application form at the Citizen Services Office of the Borough Hall, 13665, boulevard de Pierrefonds.

Permit holders must respect traffic by-laws, particularly those relating to street parking, and also follow the borough's instructions on posting garage sale signs. Anyone contravening the provisions of By-law No. 847 is liable to a fine of up to \$300.

### SECTEUR DE ROXBORO

The same rules apply but a permit is not required.

## Some Instructions to Prevent Bedbug Infestations!

- avoid buying used mattresses or second-hand upholstered furniture, because it is difficult to know whether they are infested with bedbugs or not.
- do not pick up mattresses, furniture or objects found outside or in the garbage. They may be infested;
- Carefully inspect and clean any second-hand items before bringing them into your home.

## IF YOU'RE MOVING

- place clothing, bedding and curtains into well sealed plastic bags.
- close cardboard boxes tightly using heavy adhesive tape.
- seal off holes to prevent bedbugs from hiding in boxes;
- place mattresses, furniture and other belongings into tightly closed large plastic bags;
- inspect the truck before moving your furniture and other belongings.

**INFORMATION:** [avoidbedbugs.info](http://avoidbedbugs.info)

### REMINDER

If your home is infested, and a treatment is necessary, all persons and pets must leave the residence during extermination.

# BY-LAWS

## SANITARY SEWER OR DRAINAGE PROBLEMS?

If your sanitary sewer system malfunctions, please communicate with the Public Works Service by calling 311 and ask for a camera inspection.

### THIS FREE SERVICE IS AVAILABLE DURING WORKING DAYS BY APPOINTMENT ONLY.

Sanitary sewer and drainage problems are easily confused. Improper connection of a pump or other drainage equipment, surface water seepage and roof drains can all cause damage due to water build-up, or a sanitary sewer back-up in the basement.

Interior and exterior garage drains, floor backruses, cleanouts, sump pumps and back pressure valves must be installed according to standards and checked periodically. This type of equipment must be easily accessible in case of emergency and well maintained in conformity with the Quebec Plumbing Code to avoid damage to your property.

For information on applicable by-laws, call the Construction and Occupancy Division at 311.

## BROKEN WATER MAIN AND WATER SERVICE INTERRUPTION

Water from a broken main often causes considerable damage to the street and property nearby. Repairing a water main is always inconvenient for residents because it is impossible to know the length of time the water supply must be turned off. The type and depth of the breakage and the presence of gas lines or other mains can all be factors contributing to delays.

FIFTEEN MINUTES BEFORE THE WATER IS TURNED OFF, RESIDENTS ARE WARNED BY A SIREN. THIS DELAY SHOULD GIVE THEM ENOUGH TIME TO STOCK UP ON DRINKING WATER.

After it is repaired, a water main must be flushed and sometimes disinfected with chlorine to prevent rust and/or contamination. When water service is restored, it is recommended that you run the cold water tap in the bathtub until the water is perfectly clear. You should also run a rinse cycle in your washing machine (make sure it is empty!) to avoid rust- or chlorine-related damage to clothing.

In any case of rust-coloured water, do not use hot water – or use as little as possible – to avoid damage to the water tank. Also, run the cold-water tap in the bathtub for about 30 minutes; that faucet is not protected by filters.

Your own hot water tank also may be the source of rusty water. To avoid this problem, most manufacturers recommend that the tank be rinsed once a year.

In spite of all these precautions, discoloured water still occurs occasionally. If the condition persists after you have run the water for fifteen minutes or so, please call the Borough Public Works Department for assistance by dialling 311.

## GRAFFITI VICTIM?

A free seasonal graffiti removal service is offered by the borough to owners of commercial and residential buildings if the graffiti is visible from the street. Residents can fill out the form available at the Citizen Services Office, or by calling 311, or by sending an e-mail to [pierrefonds-roxboro@ville.montreal.qc.ca](mailto:pierrefonds-roxboro@ville.montreal.qc.ca) or by downloading it via [ville.montreal.qc.ca/pierrefonds-roxboro](http://ville.montreal.qc.ca/pierrefonds-roxboro).

## GREEN WASTE COLLECTIONS

### Accepted Containers

The only accepted containers are paper bags and reusable rigid containers. Plastic bags will not be picked-up.

### Evergreen Small Branches

Evergreen small branches (cedar, fir, pine, spruce, etc.) no more than 1 meter long and 5 centimetres in diameter, tied in bundles are accepted in the green waste collection on the dates indicated in the calendar. Outside of this period, these branches will be allowed in the garbage collection.

For evergreen branches longer than 1 meter or whose diameter exceeds 5 cm or for branches of deciduous trees (maple, ash, oak, poplar, etc.), please see page 20.

### NOTES

#### Recyclables

Dates in this table apply to residential sectors and schools. There is no collection of recyclables in businesses and industries.

#### Garbage

For buildings of 9 units or more, schools and businesses, the collection is performed twice a week, on Mondays and Thursdays.

#### Hours

Containers must be placed in front of the building, after 8 p.m. the night before and no later than 7 a.m. the day of pick-up.

# COLLECTIONS

## COLLECTION OF BRANCHES AS PART OF THE EMERALD ASH BORER CONTROL PLAN

Please do not put branches of deciduous trees (maple, ash, oak, poplar, etc.) and evergreen branches whose length exceeds 1 meter or diameter exceeds 5 cm in the green waste or garbage container. These branches will be picked-up separately.

### Procedure

#### Garden maintenance done by the citizen

The borough offers a free collection service of branches resulting from regular garden maintenance done by the citizen. In this case, branches must be placed ends toward the street and leaves toward the property.

#### Unlike previous years,

no calls to 311 are required. Borough teams will drive through the whole territory to carry out a systematic collection.

### Delay

Depending on weather conditions, a period of 15 working days is required once the branches are placed along the street.

### Deadline

This free service is offered until Friday, October 24, 2014 inclusively.

## ATTENTION:

### TREE FELLING AND MAINTENANCE PERFORMED BY A CONTRACTOR

The private arborist is responsible for the management of branches and trunks of trees he fells or maintains.

## RECYCLING BIN

### New property

Any new resident of a newly constructed single-family or of a building of 8 apartments or less can obtain, free of charge, a recycling bin in a period of one year following his or her move.

To obtain a recycle bin, you must call 311.

### Moving

The recycling bin is owned by the Ville de Montréal. If you move, the recycling container must stay at its original address.

NOTE: Every recycling bin's serial number is registered and is attached to a specific address.

## RECYCLABLES: HOW TO POSITION THE RECYCLABLE MATERIALS BIN FOR COLLECTION?

Recyclable bins collection is now mechanized. Therefore, you should respect the following instructions:

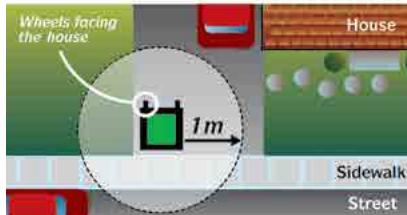

Image courtesy of the Borough of Saint-Laurent

- place all accepted recyclables loose in the bin. Help us keep the streets clean on collection day, make sure the container lid is closed and that it does not overflow;
- place the bin at the curb the day before collection after 8 p.m. or on collection day before 7 a.m.;
- the bin should be placed on your property, wheels and handle on the side of your house. Never place the bin on the sidewalk or street;
- place the bin at 15-30 cm (6-12 inches) from the curb or sidewalk;
- leave a clearance of at least 1 m (3 ft) around the container;
- the recycling bin should be easily visible and accessible to the operator at all times.

MISPLACED BINS  
WILL NOT BE EMPTIED.

## HOUSEHOLD HAZARDOUS WASTES (HHW) COLLECTION

Ville de Montréal Ecocentres enable you to dispose of your household hazardous wastes anytime free of charge. A proof of

residence "Ville de Montréal" and a proof of identity with photo are required to access the Ecocentres. The closest Ecocentres are: Acadie, Côte-des-Neiges and LaSalle

514 872-0384.

The entire Ecocentres list is available on: ville.montreal.qc.ca/ecocentres

## CONSTRUCTION AND RENOVATION SCRAP MATERIALS

If you wish to dispose of such materials (restricted to wood, plaster, rubble, stone, concrete, asphalt shingles and metal):

- call the Citizen's Office at 311;
- a borough representative will visit you and provide a cost estimate for the pick-up;
- pay the amount of the estimate at the Borough Hall;

There is a \$30 service charge and a fee of \$53 per square metre for all types of materials.

Refuse must be placed on the pavement in front of your property on a surface that does not exceed one metre deep or block a catch basin.

The deadline for pick-ups of scrap materials is the last Friday in October. This service is not available during the winter months.

## THE GREEN ( LINE )

Ash leaves

### EMERALD ASH BORER: THE BOROUGH WILL BE INTENSIFYING ITS QUEST UPON DISCOVERING AN INFESTED TREE

Monitoring by debarking ash branches during winter led to the detection of the first infested ash trees in the borough. In response to this discovery, we will double our efforts on monitoring by installing new traps and by debarking branches of ash trees located in suspected areas. Injections with the biopesticide TreeAzin are scheduled in infested areas in order to contain the infestation at its minimum and to prevent an emerald ash borer outbreak.

Our teams are also updating the inventory of our public ash trees, on our streets and in our parks, in order to obtain a precise view of our tree quality and the impact of the borer on the public ash trees' population. This exercise will allow us to identify noteworthy trees that could be chosen for preventative insecticide treatment and to identify declining or untreatable trees. The latter could be cut down as a preventive measure.

Dieback caused by emerald ash borer infestation

### ASH OWNERS, WHAT ARE YOUR OPTIONS?

**Do you have one or more ash trees on your lawn?  
Here are the options to consider:**

#### INJECTION WITH A BIOPESTICIDE

In its action plan against the emerald borer, Ville de Montréal is using TreeAzin, a low risk biopesticide, to protect its ash trees. A healthy ash, without any declining signs, can be protected by a pesticide injection every two years. The treatment must be applied between the beginning of June and the end of August. The treatment can be realized by certified applicators only. A list of companies is available at the following website: [bioforest.ca/serviceproviders](http://bioforest.ca/serviceproviders). It is advised to obtain different quotes from different companies and to pair with neighbors, prices may vary.

#### FELLING AND REPLACEMENT

An infested or waning ash must be felled to prevent the borer's dispersion. When there is 30% of crown dieback in an ash, it's considered too late to be saved by any treatment. The felling of ash trees must be done between October 1 and March 15, with the exception of dangerous trees. In all cases, a certificate of authorization is mandatory. Wood residues cannot be kept and must be destroyed to prevent the contamination of other trees. Particular ash wood disposal procedures have been planned by the borough. If the space allows it, replace your ash tree with another species that will provide the same benefits.

#### PRUNING OF ASH TREES

Freshly pruned trees release molecules that attract the female borers. That's why it is advised to prune ash trees between October 1 and March 15 and to mulch the removed branches immediately.

*For an evaluation of the health of your trees and for any work that needs to be done on your trees, contact a professional arborist, who is a member of an arboriculture society such as the Société internationale d'arboriculture du Québec : [siaq.org](http://siaq.org).*

# ENVIRONNEMENT

## RENEWED PARTICIPATION TO THE FLEURONS DU QUEBEC

We are happy to announce that the Borough of Pierrefonds-Roxboro has once again joined the program Fleurons du Québec. In 2011, the evaluators had awarded the borough with four (4) florets to underline the remarkable

quality of the horticultural embellishment in most domains. Around the end of the summer of 2014, the evaluators will travel through the borough's territory to evaluate our horticultural embellishment.

**Consequently, we invite all residential, commercial and institutional owners to improve their environment.  
HAPPY GARDENING TO ALL!**

For more information on the Fleurons du Québec, please visit this website: [fleuronsduquebec.com](http://fleuronsduquebec.com).

## ECOLOGICAL GARDENING DAY

The borough, in partnership with the Éco-quartier Pierrefonds-Roxboro and the Société d'horticulture et d'éologie de Pierrefonds (SHEP) will hold its Ecological gardening day on **Saturday, May 24, 2014, from 9 a.m. to 3 p.m. (or while quantities last)** in the parking lot of the Borough Hall, located at 13665, boul. de Pierrefonds.

During this day, you will be able to acquire **free compost, woodchips and plants** (perennials, annuals, herbs and vegetables for children). You will also be able to acquire information at our kiosks concerning the protection of our environment. A raffle will be held among the day's participants for two rain barrels and two compost bins.

This event is open to all Pierrefonds-Roxboro residents (please bring proof of residency) and will take place rain or shine.

**Please note that the compost area will not be accessible by car. Therefore, remember to bring your containers, wheelbarrows and shovels.**

A Scout troop will be on site to offer their help.

For more information, please contact the Green Line at 514 624-1215 or the Éco-quartier Pierrefonds-Roxboro at 514 752-0778.

## A VACANT HOUSE, A TRIP OR ON VACATION? THE "OWL" PROGRAM IS FOR YOU!

This program aims to increase the security of vacant houses in Pierrefonds-Roxboro.

In addition to improve the security level of your home during your absence, the "Owl" Program will deter criminals by ensuring increased security agents presence and a special surveillance of your house.

Whether you are on vacation abroad or on a business trip and you need to leave your house unattended for a short period of time, 7 to 21 days, this is what the Pierrefonds-Roxboro Borough's Public Security is offering you:

- on foot patrol of your residence perimeter and terrain;
- verification of doors and windows;
- report any anomaly to the police, to your alarm center and to you in the case of a suspicious presence or activity: alarm, mischief, breaking and entering, etc.;
- free your house of all accumulated advertisements that might indicate to criminals that your home is vacant.

Before you leave, contact the Public Security call dispatch centre at **514 630-6300**, to be put into contact with a Public Security Agent.

## A TREE FOR MY NEIGHBOURHOOD CAMPAIGN: PLANTING TREES FOR THE CANOPY OF MONTREAL

The Regroupement des éco-quartiers and Société de verdissement du Montréal métropolitain are inviting Montrealers to plant more trees at a low price in order to help increase urban biodiversity. For our spring campaign, citizens are invited to register with the éco-quartier Pierrefonds-Roxboro before June 9. As for the fall campaign, citizens can register throughout the summer until September 15. Trees of various species are available; they stand between 1.5 m and 2 m tall, and are offered at a reduced price.

### Available species

Available trees are valued species, indigenous to the Montreal area: Bur Oak, Saskatoon Berry, Kentucky Coffeetree, Red Maple, Butternut, American Linden.

### Cost

Citizens, non-profit organizations, schools and childcare centres: \$35 per tree;  
Industries, businesses and institutions: \$40 per tree.

An all-inclusive service may also be offered: planting kit, delivery, rain barrel, installation, etc.

## A NEW VEGETABLE GARDEN IN ANOTHER PRIMARY SCHOOL IN PIERREFONDS-ROXBORO

Following in the footsteps of Lalande, Harfang-des-Neiges (Lauzon Pavillon), Saint-Gérard and Murielle Dumont primary schools, St. Anthony Elementary School will be planting its first vegetable garden this summer.

In collaboration with the Borough of Pierrefonds-Roxboro, Pierrefonds Day Camps and Pierrefonds-Roxboro en forme, students of St. Anthony Elementary School and children attending day camps will benefit from outdoors natural science classes and enjoy the harvest.

Thanks to a financial support from Jeunesse en Action and TD Friends of the Environment Foundation, the éco-quartier will offer workshops on seedlings, transplanting and gardening to the children at Les Muses Daycare in Pierrefonds.

## WHAT'S UP WITH REGIONAL ASSOCIATIONS

### West Island Community Shares

West Island Community Shares' mission is to make sure help is available, right here on the West Island, to anyone who needs it. We do this by raising crucial funds for 36 West Island charitable groups.

1 in 5 West Islanders turns to a West Island charitable group for help each year. No other fundraising group works exclusively to support West Island interests the way West Island Community Shares does.

Thanks to corporate partners help to cover fundraising and administrative costs, 100% of donations received are distributed to the groups we support.
