The site:**Schedule and work**

- Schedule: Monday to Friday, from 7 a.m. to 5:30 p.m.
- Work: a team of experts plans the work and determines the measures to be taken to minimize disturbing aspects of the site (odors, dust, noise, vibrations, etc.) caused by the use of tools and other equipment.
- On the days of garbage, recyclable and compost collections, place your garbage cans and bins, well-identified with your address at the usual place. Containers that are not accessible to garbage collectors will be moved by the contractor.
- If you plan to move, do work on your property, or any other situation for which it is pertinent to contact the site manager, dial 311 to speak to an agent.

Here is the information available to date. In case of changes or new impacts that may affect your daily life, other communication will be transmitted to you.
