

THE 360 LITRES RECYCLING BINS ARE HERE!

As the collection of recyclables in wheeled bins are mechanized, you must take certain precautions:

HOW TO POSITION THE BIN FOR COLLECTION?

- Place the bin at the curb the day before collection after 8 p.m. or on collection day before 7 a.m.
- The bin should be placed on your property, wheels and handle facing your home. Never place the bin on the sidewalk or street.
- Place the bin away from 15-30 cm (6-12 inches) from the curb (important during snow removal).
- Leave a clearance of at least 1 m (3 ft) around the container.
- The recycling bin should be easily visible and accessible to the operator at all times.
- Misplaced bins will not be collected.

RECYCLABLES

- Place all accepted recyclables loose in the bin.
- Help us keep the streets clean on collection day, **make sure the container lid is closed** and that it does not overflow. In addition, the container lid must be free of debris (recyclables, snow, etc.).
- No recyclable material outside the bin will be picked up.

WHO OWNS THE BIN?

The recycling bin is owned by the Ville de Montréal.
If you move, the recycling container must stay at its original address.
